New York 27, N.Y.

Dear Lou:

Your letter to Mrs. Deakins received in which you state you had arranged to have the inscription cut in by hand on the statue which would make it much deeper and more readable. This may be all right, meanwhile I asked to have the entire matter held up as I am now giving the statue to the Texas University instead of the Texas Memorial Museum. So, the inscription should read:

"Executed by Electra Waggoner
for Amon G. Carter Foundation
Fort Worth
Presented to the University of Texas
1948"

Hope all of you have had a nice Christmas
and with best wishes, I am

Sincerely,
