Mr. J. B. Maxey
2133 13th Street
Lubbock, Texas

Dear Mr. Maxey:

Mr. Carter is in receipt of your letter relative to the three copies of the silhouette picture of the Will Rogers equestrian at Lubbock, which he received and was under the impression that he had thanked you and paid for them; however, I presume he had his letter of November 27 in mind and during the rush of the Christmas season the matter was overlooked.

In fact, I don't remember ever having seen a bill, so I have no idea what price they were, nor what to send you. If you will be good enough to send a statement, it will be promptly remitted, and Mr. Carter hopes you will accept his apology for the oversight.

If the statement was with the pictures, in all probability it was never discovered and thrown away with the wrappings. Anyway, we are sorry and will rectify matters if you will be good enough to send another statement.

Yours very truly,

KD:mm

Secretary to A. G. Carter
