

January 22, 1931.

Dr. G. H. Carter,
405 Exchange Natl. Bank Bldg.,
Eastland, Texas.

My dear Dr. Carter:

Your letter of January 15th,
received enclosing a letter for Will Rogers which
I shall be glad to turn over to Mr. Rogers on
his arrival here the 30th.

I notice what you say about the
Wimpus and I am sure any recommendation made by
John Mouser would be entirely satisfactory.

With best wishes, I remain

Yours very truly,
