330 WEST 34TH STREET
NEW YORK CITY 1

Mr. Amon Carter,
Fort Worth,
Texas.

Dear Mr. Carter:

I am very much embarrassed to realize that because of a month's absence from New York during the holiday season, I believe no acknowledgment has ever been made of the beautiful pecans which you sent us for Christmas.

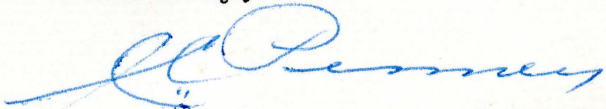

With this explanation, however, I know you will understand and readily forgive this omission. Mrs. Penney and I were away from home from December 21st until the latter part of January and that is how the omission occurred.

I want you to know, however, that we both very much appreciated your kind thought of us and the entire family raved about the pecans. They were I think, the best we have ever had.

Your secretary very kindly responded to Mrs. Penney's wish to have the negative of one of the pictures of me which you had taken when I was last in Fort Worth so that she might have some prints made up. I am herewith returning the negative for your files, as requested. Please thank your secretary for me for this courtesy.

With my very kindest regards and best wishes, I am

Sincerely,

Negative.
