

THE ATTENTION OF THE FACULTY IS CALLED TO THE SOUTHWEST CONGRESS OF OPTOMETRY to be held in Fort Worth, February 23, 24, 25, at the Texas Hotel. They are giving some demonstrations in the problem of reading, which will be helpful to educators. Dr. Lesser of the local committee and Dr. Greeman of the Southwest group have been very courteous in extending invitations to our faculty. A program is posted on the bulletin board by the Dean's Office.

ALL DEPARTMENT HEADS WHO WOULD LIKE TO LOOK OVER THE copy for the summer term bulletin before it goes to the printer should come to the Registrar's Office either Friday or Saturday to check over the copy. Several Department heads have already checked the copy or made some revision since the Preliminary Summer Term Bulletin was issued. If there are any others, please call within the next two days for the copy will go to the printer next Monday. We depend on department heads for correct courses, number, description, hours, and faculty members.

PLEASE REMIND YOUR STUDENTS THAT MARCH 1 is the deadline for removal of "I" grades. The student should come to the office, secure the permit, go by the Business Office and care for the fee, then take the permit to the teacher who will return it to the office after noting the grade. No make-up work should be received until the permit is in the hand of the teachers.

COPY FOR THE CATALOG OF 1941-42 IS WELL UNDERWAY AND will be turned over to the printer within the next week or at most ten days. Thanks to the heads of departments for early response to our personal letters requesting copy.
