Sunday.

Katrine dear:

Alice Johnson just
phoned me the appalling news
that little Omon was missing.

She also said Omon was
supposed to be in N. Y. Tomorrow
so I'm writing you - as I know
your heart is as heavy as
any of them - But please tell
Omon my thoughts, love,
and prayers are with you
all.

He may be in prison camp, or
hospital - So keep praying!
and so shall I.

I wrote Anon a note
last week, and sent him a
picture of Edmund.

I have joined that vast
army of Government workers,
as my work at home seemed
absolutely over, for the duration.

Three friends have a nice
set up here, ^{at Stoneleigh -} and sure when
Edmund goes overseas, Dorelle
and baby will come right
back here.

Would you write me a letter, and
tell me anything you know of the
details?
Just last week I had a note
from Green Taelbot (isnt he in
the same Company?) no news, but
a description of the country, etc.
— no body knows, better than
I, how you love those children.
So please know -- I am thinking
of you too.
My love to Carl, and don't
give up.
Always your friend,
Ethel Vanzandt
