Mr. Amon G. Carter,
Ft. Worth,
Texas.

Dear Mr. Carter:-

Mrs. Marable and I want you to know just how very much we appreciate all that you are doing in providing the parents of our boys in Oflag 64 with current news of their whereabouts and their welfare.

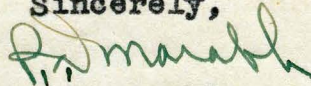

Mrs. R.T.Henry relays all of the news you provide right on to us and it is always such a thrill to hear her calm and confident voice over the phone when such news is available.

The most recent letter we have had from our son was written on December 17th. and it was of good cheer and hope. He often mentions Amon Jr. and Bob Henry and we shall always be indebted to those two fine boys for the care and attention they gave our son when he was first brought into the camp.

Again, please accept our sincere thanks, Mr. Carter, for your untiring efforts. Together let us hope that the time is not too far distant when we shall have our boys safe at home.

With kindest wishes always for you and yours I am,

Sincerely,

P.D. Marable
