My dear Amon:

I know what a great relief it was to you to learn the news that your son, Lt. Amon Carter, Jr., was a prisoner of war in Germany rather than on a list of "missing in action". While it is not comforting to know that he is in the hands of the enemy, it is a lot of satisfaction to know he will come back to you one of these days after the war is over.

I haven't seen you for a long time but hope our paths will cross soon. I am going to St. Louis for the meeting of the Independent Petroleum Association of America on May 8th and hope to get on to Texas from there. I have a son in the Air Force camp at St. Marcus, Texas, and I am anxious to spend a few days with him. I might be able to drop by Fort Worth on this trip and if so, I will certainly look you up.

Sincerely yours,

WSH:d
