Mr. and Mrs. R. T. Henry,  
3604 Baldwin,  
Fort Worth, Texas.

My dearest Mother and Dad: My only letter this week was one from Auntie Mae. I greatly appreciated it and do extend my thanks to her. Not a great deal of news from here to write. We had a big track and field meet yesterday and a ball game today Single vs Married Men. Hope you are getting my mail better now to date I have written around 25 letters and a like numbers of cards to you. Think I will write my next letter to Lib as it will be two years ago next week we met. How is Virginia Tucker? Be sure and give her and Lib a nice Xmas present for me in the event I am not home. They seemed to be about the only interests I have left, but girls don't worry me too much - Now - Hope you and dad are well and happy. Don't make too many plans on meeting me. I think a better idea would be a nice little trip together after I get home. Just the three of us. Am feeling fine and getting along grand so don't worry. All my many friends here are O.K. too - Amon, Joe, Paul Marable and all. Of course all anxiously await the end of the war. Hope I have better luck on my mail next week. All my love to my many friends - the Coody's, Fitch, Bromstads, Gladys, Monnigs & Penney, especially the Andrews. Have they heard anything at all yet? Love to all the family - Marie, Wall, Rob, Gussie, Kitty, M. Cook - Your devoted son,

(Signed) Bob
