Honorable Lyndon Johnson

Congratulations on a marvelous race and a grand victory! While, I have never had any particular affection for Abraham Lincoln, his homespun philosophy is apropos to Governor O'Daniel's race for the United States Senator Period Lincoln said, "You can fool some of the people some of the time, but it is hard to fool all of them all of the time" and he fooled 'em less this time than ever before PERIOD Naturally, as an avowed candidate you had a slight advantage in the race as Governor O'Daniel stated that he was not running for the Senate but merely dropping by to pay respects to some of his friends enroute to Washington (In which there seems to have been a slight detour) PERIOD It was said of Lot's wife that she was so stuck on her past she had no future (It usually gets 'em sooner or later) PERIOD The result of campaign is not unlike David slaying Goliath with a forward pass - you carried the ball, in this instance, in an All-American fashion like little Davey O'Brien performed for the Texas Christian University PERIOD It was a case of constructive facts, patriotic loyalty and support to the President in his trying problems versus O'Daniel's adulation and a presumptuous thought that everything found on the Fair Grounds belonged to him PERIOD You have broken another record and succeeded more U. S. Senators than anyone else in such a short length of time. Senator Sheppard rendered a great and patriotic service both to his State and to his Country and I am sure that you and Senator Tom Connally can continue to give Texas a Senatorial representation to be envied by all other states. So, again, it is a pleasure to
