Dear Mr. Carter:

Thanks for your letter of the 17th instant, and my congratulations on your very effective and pat rejoinder to "Ma" Ferguson's demand for your resignation from the Board of Directors of the Texas Technological College.

I was much gratified to learn of the remarkable showing which your publication is making. It is a very impressive achievement.

I am afraid that my proposed visit next March, to which I had very greatly looked forward, is not going to come off, owing to circumstances beyond my control. It is a great regret and disappointment to me to have to bury this plan for the time being, but I shall surely resurrect it in the course of next year, probably in September or October.

Reciprocating, with many thanks, your kind wishes of the season, and with cordial greetings, I remain,

Very faithfully yours,

A. G. Carter, Esq.,
c/o Fort Worth Star-Telegram,
