

FORT WORTH STAR-TELEGRAM

AMON G. CARTER, PRES & GENL. MGR.

FORT WORTH, TEXAS

September 15, 1924.

Mr. Wm. H. Rankin, PERSONAL,
1 West 37th St.,
New York City, N.Y.

My dear Bill Rankin:-

Your letter of the 10th.,
received, enclosing the photographs of the water-
melon, for which please accept my thanks. I
am only sorry that we are not publishing a
rotogravure section so that we could carry
these in the paper, however we will carry one
or two of them sometime soon and send you a
copy of the paper.

I appreciated the clipping
showing the Prince of Wales wearing the four
gallon hat.

Here's hoping that the
Giants win so I will have an opportunity to
see you soon.

Sincerely,

A. G. Carter
President.

*These pictures
were taken for
your personal
benefit to show
you we appreciated
the watermelon
I read in the Times
yesterday that a
man thru a watermelon
hit a man on the
head & broke his
neck - in Ft Worth?
I wish that true.*

So do I

Personal

Dear Amon

The Prince made good! He remembers you & I
& J. she has your "hat" with him & will wear it
in Canada. See clippings from Today's Times
& Sunday's Telegram. I wish you had been here
He is a regular fellow & I told him so
