YOU SHOULD NOW HAVE IN HAND a "White Card" on each student in your classes. If you do not, please send the student to the Registrar's Office immediately after your next class.

ALL DELINQUENCIES should be reported on cards like the inclosed, each student on a separate card. This facilitates checking in the office. If you fail in this we are powerless to do this piece of our work effectively.

THE COUNSELORS OF FRESHMEN AND SOPHOMORES had a very profitable meeting yesterday afternoon, though not all members of the group were present. We shared a number of problems and reported progress in the program of counseling. Names of the new freshmen entering this spring were distributed. Keep active in this worthy enterprise. Some students respond to counseling, others do not, but at least we can prove our personal interest in their well-rounded development.

THE WOMAN'S BRANCH of the T.C.U. Alumni and Ex-students Association is giving a tea in Jarvis Hall, Sunday, February the twentieth, from four-thirty to six, honoring Dr. Lockhart on his eightieth birthday. All members of the faculty and their wives are most cordially invited to be present.

THE NEXT PROGRAM to be offered on the University Lecture Series is a Fine Arts Number. Doctor Carlton Palmer, "the layman's interpreter of art", will discuss "THE JOY OF PAINTING" in the University Auditorium at 8:00 p.m., Wednesday, February 23rd. The Lecture Committee has endeavored to bring top-notch speakers to T. C. U. on the Lecture Series and is anxious for all students to avail themselves of the privilege of hearing these programs. We wish to express our appreciation of the cooperation given by the faculty in announcing and urging students to attend.

Willis G. Hewatt
Lecture Committee,
Chairman
