Mr Oscar E. Monnig
Fort Worth, Texas.

Dear Sir:-

Replying to yours
of the 12th beg to advise that
I have been unable to find out
where that piece of meteorite came
from.

A friend of mine told me
that he was shown a meteorite
North of Ft. Stockton but that
the owner of the place did not
want any notoriety or advertisement
& would not give me his name.

However I feel sure that
should you come out this way
we could have a look at it & in
the meantime I will keep on
making inquiries.

The Tax Collector that had shot meteorite
has passed away I have been unable
to contact his 2 - sons.

Awaiting your further pleasure
I beg to remain,

your truly
W. P. Rooney
