Dear Amon:

As a citizen of Fort Worth, I want to commend and thank you for making it possible for "Our children and our children's children" to see the likeness of Will Rogers as though he lived.

You have done so many wonderful things for Fort Worth that every man, woman and child of its citizenship owes you a debt of gratitude, though we so seldom take the time to give the expression, I'm sure we all feel the same sense of appreciation.

Sincerely,

Sam Ross
