THE MID-SEMESTER IS UPON US

Strange, is it not that April 1st and the report on "F" grades coincide? In the current catalog you will note - "Mid-Semester grades due in the Registrar's Office, Noon, Saturday, April 3." Each teacher should have given by April 1st at least one written examination to determine very definitely the progress of each student, No special examination schedule is needed.

We are not calling for the Mid-Semester grade report except on "F" grades. These are to be turned in not later than noon, Saturday, April 3, on 3x5 green slips printed for this purpose, now available in the Registrar's Office. For administrative purposes it is exceedingly important that you turn in these "F" grades promptly. Thank you for your cooperation.

A list of Counselors chosen by Dr. Richardson in cooperation with department heads to assist in Advanced-Registration will be posted in due time.

An Instruction Sheet for use of students will be made available to guide in the procedure.

All of this will simplify the process for the day of registration, June 7, and speed up the program necessary to get the Summer Term under way.

PREPARE YOUR STUDENTS FOR ADVANCED REGISTRATION

Urge Juniors and Seniors who plan to attend this summer to get their Petition Sheets(degree plans) brought up to date ready for May 10-22. Students in the School of Arts and Sciences will find these Petition Sheets in the Registrar's Office. For other schools they should go to the Dean of the school in which they are majoring.

Summer Term Bulletins are available. These should be thoroughly studied NOW.
