

Many of your friends believed
that to be the case, so when the
last report came to verify that
belief, we all rejoiced that he
is alive, and hope and pray
that he may be preserved
from all harm and restored
to you.

Your going over to see him
was so fine, that experience
and visit will always mean so
much to both of you.

I want you to know that you
have my sympathy and
prayers that your precious son
may be restored to you in
perfect health - ever

Your friend

Dear Friend,

I have been thinking
of you in your great distress
over the report that Amos Jr.
was missing, and was told
before the last report - that you
believed that he was a prisoner.
