CALL TO WORSHIP The Reverend John L. Butler
Minister to the University

Leader: We praise You, O God, and know You as our creator. By Your gifts to us we seek to make perfect our will to accord with Your will for us.

People: *(All reading together)* Your gifts to us require that we do justly, love mercy, and walk humbly. Thereby we worship and serve You and discover ourselves to be made in Your image.

Leader: Be joyful and worship God. Honor God's presence with a song.

HYMN *(All standing)* Led by Mr. Raymond Bazemore
Associate Professor of Voice

Praise Be to God the Almighty

Joachim Neander, 1680 From *Everflowing Streams*, Pilgrim Press, 1981

Praise be to God, the Almighty, who rules all creation.

O my soul, worship the well-spring of health and salvation.

Let all who hear Now to God's temple draw near,

Joining in glad adoration!

Praise be to God, who o'er all things is wondrously reigning,

Bringing new life, in great mercy redeeming, sustaining.

Ponder anew What the Almighty can do.

Ponder God's gracious ordaining.

Praise be to God, who works justice, who ends all oppressing.

God's name most holy let Israel always be blessing.

Rise up on wings, Healing and wholeness God brings.

Always God's deeds be confessing.

Praise be to God, O forget not God's manifold graces.

All that has life and breath, one song of gratitude raises.

Let the amen Sound from God's people again.

Gladly forever sing praises.

AMEN

INVOCATION Mr. Butler

LITANY OF THANKSGIVING Mr. Butler

Leader: Our experience of joy on this occasion is shared with one another as we express our common thanksgiving. We offer our thanks, Gracious God, for those who founded and guided this institution; for those today whose lives, talents and gifts keep its heritage and direct its opportunities.

People: Hear our prayers of thanksgiving, Gracious God, for all who learn and use Your saving health for all nations.

Leader: We offer our thanksgiving for the love of families that bring honor, charity, and good will to the hope of learning.

People: Hear our prayers of thanksgiving, Gracious God, for all communities of care who enable the lessons of mercy and justice.

Leader: We offer our thanksgiving, Gracious God, for those who teach and those who learn the patterns and processes of life that lead us to Your Spirit of Grace.

People: Hear our prayers of thanksgiving, Gracious God, for all universities and the continuing search for what You would have us do so that Your spirit may lead all persons to the light of wisdom.

AMEN

EDWARD P. BASS

Edward Perry Bass of Fort Worth, Texas, is extensively involved in the downtown revitalization of his hometown Fort Worth. As chairman of Performing Arts Fort Worth, he led the development of the Nancy Lee and Perry R. Bass Performance Hall, which opened to international acclaim in downtown Fort Worth in May, 1998. He has been a leader in what is recognized as one of the most successful urban revitalization efforts in America, and along with other members of his family, has developed the Sundance Square area into a highly successful mixed use, urban core district. He serves on the boards of numerous national and international conservation and ecological concerns including

the World Wildlife Fund, where he also chairs the Executive Committee; the Yale Institute for Biospheric Studies, which he helped found in 1990; the New York Botanical Garden; and the Botanical Research Institute of Texas. He is President of the parent company of the Biosphere 2 Center, a major research and educational project in earth system ecology operated by Columbia University ... as its western campus ... and located near Tucson, Arizona. An avid rancher, Mr. Bass is active in the direction of personal and family ranching interests in Texas, Kansas and Australia, including research in grassland ecology. He is Treasurer and Member of the Executive Committee of the Southwestern Exposition and Livestock Show, a major 17-day cultural event in Fort Worth. He also serves on the Advisory Board of The National Cowgirl Museum and Hall of Fame, and the Texas and Southwestern Cattle Raisers Foundation.

SHIRLEY S. CHATER Ph.D.

With 65,000 employees, she was responsible for re-engineering a number of business processes to initiate the "Putting Customers First" strategy and was instrumental in moving the agency through union agreements to achieve an independent status of the Social Security Administration in 1995.

In addition to her service as a Commissioner, Dr. Chater has served as President of Texas Woman's University (Denton, Texas) (1986-1993), Senior Associate, Association of Governing Boards of Universities and Colleges (1982-1986), and as Senior Associate, American Council of Education (1982-1986). She has a long history of service (1964 to present) both in faculty and administrative positions at University of California at San Francisco and Berkeley.

THE FLAGS

The twenty nine flags displayed on the Coliseum floor represent the countries of our sixty nine international students who are receiving their diplomas today. The following countries are represented: Brazil, Bulgaria, Canada, China, Colombia, Croatia, Czech Republic, Germany, Guatemala, Honduras, Hong Kong, Hungary, India, Japan, Kenya, Republic of Korea, Macau, Malaysia, Mexico, Netherlands, Pakistan, Romania, Russian Federation, Senegal, Spain, Taiwan, Thailand, Ukraine, and United Kingdom.

THE MACE

The mace is a symbol of the strength of a university. In Medieval times, the mace was a weapon designed to protect the dignitary in a procession. Academia borrowed that tradition from royalty, designating it as a symbol of the power of a university and of its leader – power shared with the faculty.

Maces, similar in appearance to ancestral weaponry, usually are constructed of wood or metal and may have symbols of the institution worked into the design. TCU's mace was created to commemorate the inauguration of Chancellor Michael R. Ferrari. The shaft of the mace was made by TCU staff member, Robert Kramer, a master carver. It is fashioned from a wooden beam from the first building constructed at Add-Ran Male and Female College in Thorp Spring, Texas. The head of the mace was created by international sculptor and TCU parent, Seppo Aarnos, and proudly bears the horned frog, adopted in 1897 as the University's mascot. An amethyst at the center of the head glows with the colors purple for royalty and white for purity.

TRADITION OF ACADEMIC DRESS

The history of academic dress dates from at least the twelfth century, when long gowns were needed for warmth in the unheated buildings used by medieval scholars. In England, both Oxford and Cambridge made academic dress a matter of university surveillance, and both institutions regulated which colors and trim could be used by faculty and students. In May 1895, representatives from American institutions of higher learning met at Columbia University and formulated a "code of academic dress" which has generally been followed since that time, although some revisions were initiated in 1932 and in 1960.

The dress code recommended that gowns for the bachelor's degree should be worn closed and should have pointed sleeves. Gowns for the master's degree can be worn open or closed, but their sleeves are oblong in shape with open wrists. Gowns worn by those holding the doctoral degree also can be worn open or closed and feature bell shaped sleeves.

Gowns from different institutions vary in color, but most are black. Neither the bachelors' nor the masters' gowns feature trim, but doctoral gowns are faced down the front with black velvet and hold three bars of the same fabric across the sleeves. Sometimes these facings and sleeve-bars are velvet of the color distinctive of the subject to which the degree pertains, thus agreeing in color with the binding or edging of the hood appropriate to the particular doctoral degree of the wearer.

Hoods are to be of the same color and material as the gowns and are lined with the official color(s) of the college or university conferring the degree. Bindings or edgings for the hoods display the color distinctive of the subject to which the degree pertains. Bachelors' hoods are three feet in length; masters' hoods are three and one-half feet in length; doctoral hoods measure four feet in length.

For all academic purposes, including the trimmings of gowns, hoods, and tassels, the colors associated with the different academic fields are as follows:

Agriculture	Maize
Arts, Letters, Humanities	White
Commerce, Accountancy, Business	Drab
Dentistry	Lilac
Economics	Copper
Education	Light Blue
Engineering	Orange
Fine Arts, including Architecture	Brown
Forestry	Russet
Journalism	Crimson
Law	Purple
Library Science	Lemon
Medicine	Green
Music	Pink
Nursing	Apricot
Oratory (Speech)	Silver Gray
Pharmacy	Olive Green
Philosophy	Sage Green
Public Administration, including Foreign Service	Peacock Blue
Public Health	Salmon Pink
Science	Golden Yellow
Social Work	Citron
Theology	Scarlet
Veterinary Science	Gray

CONGRATULATIONS, GRADUATE!

The members of the TCU Alumni Association join me in congratulating you on the culmination of your academic achievement at the University. The completion of this effort heralds the beginning of another, and your fellow alumni wish you well.

You and the members of your class are important to the Association and the *alma mater* we serve. Much that you have enjoyed here in both faculty and facilities has been made possible by the generous support of graduates who have preceded you. We are proud of the time and energy we have shared that continues to grow each year. We are proud of the support we give to help provide high academic goals for tomorrow's students.

We encourage you to keep in touch with the Alumni Office. Please let us know of your accomplishments, your activities and your interests. Keep us informed of your address, and we will keep you informed about the University and about Alumni Association events such as homecoming, class reunions, and alumni activities in your area. Your presence and participation in these programs can build lasting friendships for you among classmates and other alumni.

As a graduate of Texas Christian University, you are the reason for the Association, and we welcome you to the fellowship of alumni throughout the world.

Sincerely,

A handwritten signature in black ink that reads "Kristi Hoban". The signature is written in a cursive, flowing style.

SENIOR APPRECIATION PROGRAM

Each year seniors make gifts to Texas Christian University in tribute to individuals who have enriched their lives with encouragement, faith, and confidence. Funds from the Senior Appreciation Program become a legacy to the junior class in the form of grants, awarded by a senior committee on the basis of academic achievement, leadership, and personal essays. The class of 2000 granted five awards.

The University joins these graduate members of the Class of 2000 in expressing gratitude to those who have so richly enhanced their lives and, by extension, the life of the TCU community. Seniors' names appear in the left-hand column, followed by the names of those they are honoring.
