Hon. Amon Carter
P. O. Box 1036
Fort Worth, Texas

Dear Amon:

Thanks for your invitation which came for the dedication of the Will Rogers Equestrian Monument Tuesday, November 4th. As you know, nothing would suit me better than to be there. I yield to no one in admiration for the great American, Will Rogers. Likewise, I should, of course, love to hear General Eisenhower's talk; and it would be the greatest pleasure to be your guest in Fort Worth.

Unfortunately, I shall have to be in California at that time. I am now Vice President of the Hughes Tool Company, and resident in Houston, Texas. I hope that 'Mr. Fort Worth' will not cross me off his list for that reason.

With every good wish to you as always.

Sincerely,

Ira C. Eaker
Lt. Gen., USA (Ret.)
