Fort Worth, Texas

Gentlemen:

We are pleased to advise that the ss Letitia Lykes V 66 IN
is scheduled to arrive at this port about June 15, 1964 and will
have on board for your account, the cargo listed below.

CAPETOWN/HOUSTON B/L 2 1 drums nickel iron ore (Marks: Addressed)

Seven days free time is allowed for removal of merchandise from the docks, and after expiration of free time, storage charges, expenses for drayage to public warehouse, watchman hire, and all other expenses incurred are due and collectible from the owner before delivery will be made. Please take note that after cargo is unloaded from ship it is held strictly at the risk and expense of the owner thereof.

To avoid these unnecessary expenses we recommend that you arrange to take immediate delivery of the shipments described above. If you will advise us promptly the name of your customs broker, we will cooperate to the fullest extent possible in expediting delivery of your merchandise.

Very truly yours,

LYKES BROS. STEAMSHIP CO., INC.
