Dear Mr. Carter:

I have read with much regret the item in the local papers, under date of March 11, containing information that the War Department has announced that your son, Lieutenant Amon Carter, Jr., is missing in action in North Africa.

I extend to you my deepest sympathy over this news that you have received, and I trust later information will be of a more cheerful nature.

With best regards,

Sincerely yours,

RICHARD DONOVAN,

Major General, U. S. A.

Mr. Amon Carter,
Fort Worth,
Texas.
