Miss K. Deakins  
Secy. to A. G. Carter  
Fort Worth Star-Telegram  
Fort Worth, Texas

My dear Miss Deakins:

Thank you so much for your letter of May 2. The information comes a bit late, however, I am endeavoring to use it since I did want to include in my work the Fort Worth Memorial. I waited so long that I assumed that Mr. Carter just did not want to be bothered. I will bend every effort, however, to see that the information is used. Thanks again for your efforts.

Sincerely yours

  
David R. Milsten
