

OPERATIONS HOTEL
KELLY FIELD, TEXAS

May 3, 1945-

Dear Mr. Carter-

I have just read in the San Antonio paper of the liberation of Amos from Suchumwald by the Russians. I know you, like my folks, are the happiest father in the world.

May you two never have such an experience as this ordeal.

My regards to Amos upon his return to "Gods Country" - Texas.

Sincerely,

Yardley
