ROY W. HOWARD  
230 PARK AVENUE  
NEW YORK

March 3, 1943.

Dear Amon:

We are cabling Ernie Pyle from our Washington Bureau to which he reports regarding Amon, Jr. In talking to Washington over the phone about the matter, we learned that Ernie is suffering from a bad cold and has gone south in an attempt to get rid of it. We have a sufficient accumulation of Pyle articles by mail to carry us for several days and this is just for your information to let you know that Ernie will get on the Amon, Jr., subject just as soon as he returns from the south -- assuming that the message to him clears okey.

With all best regards, I am

Sincerely,

Amon G. Carter, Esq.,
