My Dear Amon:

You are not only a benefactor to Fort Worth, Texas and the United States, but the whole world. You are the most generous, unselfish, kind hearted, ultra progressive citizen I have ever known. Your life has been spent wholly for others and its influence will live eternally.

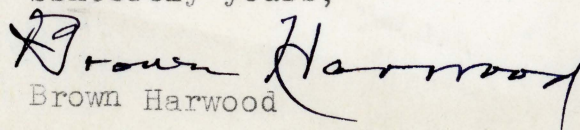

I must congratulate you again and again on your great achievement in the interest of the public. The unveiling of the monument to that great citizen and philosopher Will Rogers was a most triumphant occasion, timed just right. You deserve unbounded credit for your magnificent display of patriotism yesterday. Again I congratulate you with all my heart and assure you of my love and personal deep affection for you and Miss Minnie.

MY FAITHFUL FRIEND

By James J. Metcalfe

Of all the joys that life on earth...Is able to extend...I treasure most the knowledge that... You are my faithful friend...The knowledge that you care for me...And keep me in your mind...And that your actions always are...Considerate and kind...For you have shown in many years...That you are good and true...And that no matter what I need...I may depend on you...You have endeared yourself to me...Each time that we have met...And blessed me with a memory...I never shall forget...And though the world may offer wealth...And pleasures without end...I treasure most the knowledge that...You are my faithful friend.

Sincerely yours,

  
Brown Harwood
