Dear Mr Carter:

I'm writing you in regards to my husband Lt. Dalton Y. Medlen who is in Oflag 64, I will fill better if you could tell me anything concerning him. My last card I received from him. Was written the 25 Nov. And I received it earley in Jan. He said he was well and doing just fine. But I can't keep from worrying as it has been so very long.

Has he had time to receive a letter from me as I got his adress from the War Dept early in Nov. and started writing then? Do you suppose they have moved the ones that are in Oflag?

How long do you all go at a time without hearing from your son who is in Oflag?

Mr. Carter if you can tell me anything at all I will appreciate it very much.

Sencerly,

*Mrs Dalton Medlen
