

April 8, 1936.

Senator Morris Sheppard,  
Washington, D.C.

My dear Senator:

Enclosed, herewith, you will find copy of a letter I am writing to Tom regarding Jule B. Smith, of Fort Worth, who has been in the Bureau of Foreign and Domestic Commerce since July 1930.

I am also enclosing copy of my previous letter to Secretary Roper, as well as of a letter of this date.

I have asked Tom to supplement my request and I would appreciate your doing the same thing in behalf of Mr. Smith. After spending six years in the service, I feel he is thoroughly qualified and entitled to the consideration which I am asking the Secretary to give in his behalf.

Thanking you for anything you may be able to do in the matter, I am,

Sincerely,

AGC:KV
