Dear Mr Carter

Needless for me to try & tell you
how happy I am about my
dear boy being a free man.

Mr Carter I am so very very sorry
about your precious Amon Jr
but maybe he was liberated &
Doyle just doesn't know about
it. The Russians liberated so
many, I feel like I know Amon Jr
Doyle wrote so many times & was
praising him for his bravery he
didn't say it in those words
but I knew what he was trying
to tell. We're looking for Doyle
Home about Fri of this week.

~~For~~ In his last telegram he thought
he would see us by then. My
husband talked to him the day you
called us (last week) & believed it
was I had no idea it was
Doyle calling or I would have

I

gone + talked or I would have
tried it doubt if I could have
talked. Mr Carter I surely hope
you hear from Amos Jr soon, keep
your Faith in God. It was through
the goodness of God that our boy is
safe.

Your friend

Mrs. A. G. Yardley.

P. S. If you hear anything from
Amos Jr be sure + let us
know. We will be so
anxious to hear.
