

My dear Aunt Carter!

When I returned from a fishing trip to Bryan Inlet, I found she paid of pecans waiting for me. Many, many thanks for thinking of us. When that "wandering-boy" of mine returns - I know he will be joy here, too - She enclosed bought me a great deal of soap as I have so much

The newspapers daily for some  
news of Anson. I know your  
trip overseas was a most  
interesting one + I hope you  
had a family reunion. Many  
thanks again for the nuts -

Yours sincerely yours,
