

J. C. PENNEY
330 WEST 34TH STREET
NEW YORK CITY

February 12, 1940.

Dear Mr. Carter:

When I acknowledged receipt of the smoked turkey you so graciously sent me, I mentioned the fact that I intended to save it to serve at the tea which Mrs. Penney and I give to give to entertain our Class A and Class B managers who are holding convention in New York at this time.

We had the social function yesterday and the smoked turkey was a great delicacy, occasioning considerable comment since many of our managers had never eaten turkey smoked. In the meantime, thinking we might need more than the one turkey we had ordered one from up in New York state; and one of my reasons for writing you is to tell you that the one we got from the Catskills could not be compared with the one from Shady Oaks Farm.

The principal reason I am writing, however, is to ask if Mrs. Penney and I may not have the pleasure of entertaining you at Whitehaven sometime when you are in New York. If you are here over a week end we can promise you a quiet week end; or if another time will be more convenient that will suit our convenience, also.

Of course you will understand that the invitation includes Mrs. Carter if she is in New York with you.

With kindest regards and best wishes, I am

Sincerely yours,

Mr. Amon Carter,
Fort Worth, Texas.
