Dear Mr. Carter:

The Stetson hat, the "sure-enough" Texas sombrero, which you so kindly ordered sent to me, was received at the office in my absence some days ago.

I thank you most heartily for the gift. I shall keep it to wear on special occasions, and as a reminder, in years to come, of the pleasure that was mine during the day I celebrated with you and yours your City's Golden Jubilee.

Thanking you for your thoughtfulness and generosity in sending me this memento of an enjoyable day, I am, with all good wishes and highest personal regards,

Your friend,

Governor

Mr. Amon G. Carter,
Fort Worth, Texas.
