

Hawley, Texas.

Dec. 5, 1925.

Hon. Amon G. Carter,

Et Worth, Texas.

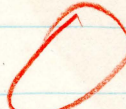

Dear sir:- As a citizen and taxpayer of Texas and being conversant with the facts in the controversy between the governor and yourself, I wish to say that, in my opinion you are right in the view you take of the matter.

As I see it, you have violated no law, and the governor is not justifiable in asking for your resignation as Chairman of

the ~~Board~~ Board of Directors of
the Texas Technological College
of Texas.

I, for one, am proud of
the fact that you were a
booster for our young
Atty. Gen. Dan Moody. He is,
in my opinion, a friend of the
Taxpayers of Texas and should
be our next governor.

In conclusion, I wish
to say, that we, the good
people of Texas are with
you.

Respectfully 
W. W. Shields

Supt. of Hawley Public School.
