FORT WORTH CHAMBER OF COMMERCE

FORT WORTH, TEXAS

10 April 1951

Mr. Amon G. Carter
Fort Worth Star-Telegram
Fort Worth, Texas

Dear Mr. Carter:

Consolidated Vultee Aircraft Corporation is celebrating the tenth anniversary of ground-breaking ceremonies for its Fort Worth plant Wednesday, April 18.

In recognition of this important event, the Chamber of Commerce is sponsoring a luncheon and plant tour to which Chamber of Commerce officers and directors, military and aviation leaders are being invited.

Your major role in obtaining this nation's largest integrated aircraft factory for Fort Worth, and your part as master of ceremonies on that historic ground-breaking occasion ten years ago, are well-remembered. We should like very much for you to take part in this luncheon and anniversary party to which a number of the original "ground-breakers" are being invited.

Following the luncheon, at 12:30 p.m. in the Convair plant cafeteria, there will be a few brief remarks, at which time we should like to call on you. Then Convair officials will escort the guests on a tour of the plant to see the B-36 in production.

We will tell you later where to assemble for the party. Would you write us as soon as possible that we can expect you? The luncheon and the plant tour should not consume more than three hours' time.

Sincerely yours,

BE Godfrey
