BETTER SERVICE TO FACULTY

The Registrar's Office is now equipped to render improved service to members of the faculty. The first window at the counter, next to the faculty mail boxes, is the one for faculty members to use. We will serve you at the earliest possible moment if you will come to this designated window. Students will have three windows.

Kindly do not knock for admission to the office at some hour when the office is not open for we are a long ways from the entrance. Thanks for your cooperation in this matter.

Get your examination books ahead of time as suggested in last week's bulletin.

Complete plans for fall registration will be issued in plenty of time. To satisfy a preliminary request we will register returning students Monday, Tuesday, Wednesday, September 12, 13, 14 beginning with the letter "Z".

Please urge your students of junior and senior rank, who have not had petition sheets made, to request them right away in readiness for fall registration.

S.W. Hutton
Registrar

GENERAL FACULTY MEETING
