

March 23, 1945.

Miss Juanita Yardley,
Box 435,
Tarleton Station, Texas.

Dear Miss Yardley:

In reply to your letter of March 15 concerning your brother, Colonel Yardley who is located in the same prisoner of war camp as my son, the last letter from Amon Junior was dated December 25 and nothing has been heard from him since the camp was evacuated January 21. According to the press reports, some of the boys were liberated, however no word has come through about Amon or your brother insofar as I know. We will have to keep our courage and faith that they will be returned safely.

With best wishes, I am

Sincerely,
