FOOTBALL.

This Week's Developments on the Gridiron.

No other college activity has settled down to good, consistent work since the opening of the University more than has the football squad. Since the first day or two of the session a good sized squad has been in preliminary training and such progress has been made up to this time as to warrant a more strenuous mode of practice next week.

The entire squad is made up of a husky looking bunch of fellows, willing, as has been shown by their readiness to work, to put every bit of available energy in putting a strong varsity out to defend T. C. U. this season. Last year's many difficulties have been brushed aside and a new vim has been put into the game by reason of the reinstatement of the sport in Baylor, Trinity and Austin College.

On Monday afternoon, President L. C. Procter of the Athletic Association, called a meeting of that organization and a lively and enthusiastic hour was spent by the male collegians in listening to encouraging and spirited speeches. Talks were made by members of the faculty, Coach Hyde and many students. This meeting threw in a stimulant in football circles that has improved the condition of the work of the last few days. The significant result of this rally to the older students was the loyal interest at once manifested in the activities of the college by the new students. Not only were they eager to imbibe the old spirit of T. C. U., but they were quick to help in swelling the coffers of the association treasury. And it might be added that the financial condition and outlook was never better than at present.

Since the interest has been awaken-

ed a squad of thirty-five men have been enjoying the fall sport, and these have been formed into squads. The squad which will comprise varsity a splendid eleven. It is known that the abilities of some of the men is unquestionable, but it remains to be seen what additional strength will be received from the new men on the squad. However, the new material looks very likely and much is expected from them.

Coach Hyde has selected for line-men the following men: Captain Loy C. Wright, J. O. Wallace, Morris C. Stewart, Lute Stewart, Will Massey, Billingsley, Scott; quarterbacks, Manly Thomas, N. C. Perkins; and in the back fields are H. G. Knight, B. H. Bloor, Ole Glover. The substitutes are Alev Harwood, John Pyburn, J. B. Frizzell, and B. C. Collins.

It will perhaps occur that the ends, Wright and Billingsley, will be placed at halfbacks and Knight and Glover changed to ends at different times.

With the line up made up from this squad, it can safely be predicted that T. C. U. will worry every foe that comes across its path, and there seems to be a possibility of finally landing a good record for the season. There is no better coach in the South than Mr. Hyde, and varsity never had a better captain than "Pete" Wright, of Rosebud. The men under them are in fine condition and will line up for the initial tussle against Fort Worth University with a determination to make a record breaking season for T. C. U.

The Second Team.

No write-up of the football situation could be complete that did not make mention of the second team. For these are the men who buck varsity day after day, receiving no reward save an abundance of bruises and the knowledge that they more than anybody,

have helped to make the first team efficient.

The second team this year promises, like Varsity, to be a great improvement over last year's team. Many of the old men have returned and these, together with new material, will give the first team strenuous practice. The line-up of this team at present is as follows: Hodges and Bozeman, ends; Tomlinson and Denton, tackles; Yates, Robinson and Cole, guards; Muse and Wade, centers; Greene, quarterback; Bivins, fullback; Perkinson and McFarland, halfbacks.

Football Schedule.

Manager L. C. Procter has arranged the following schedule of games, which shows that five will be played in Waco for sure and perhaps one or two more will be arranged later.

Sept. 28, Fort Worth University, at Waco.
 Oct. 5, Baylor.
 Oct. 12, Austin College, at Sherman.
 Nov. 2, Baylor.
 Nov. 9, A. and M., at College Station.
 Nov. 18, Trinity at Waco.
 Nov. 28, Baylor.
 Games will be arranged for October 19 and 26, with two of these four colleges: Texas, Austin College, Trinity and Deaf and Dumb Institute.

THE RECEPTION.

A Pleasant Evening with the Co-Eds.

The first reception of the year was given Friday evening, jointly by the Y. W. and Y. M. C. A. of T. C. U. The spacious dining room in Townsend Memorial Hall was cleared and beautifully decorated for the occasion. Palms and evergreens were artistically arranged so that the setting was delightful and harmonious, and the convivialities of the evening were heightened by a galaxy of color and rhythm furnished by the gaiety of T. C. U.'s virile manhood and graceful femininity. Nothing marred the pleasantries of the evening; the affair was a glorious success. The bashful "prep" and the verdant Freshman were not to be awed by the effulgence of the upper-classmen and the "spike-tails" of the faculty. Intense merriment was omnipresent. The general feeling of good fellowship and friendship unanimously prevailed. Perhaps there was kindled in some breast, although it may smolder under the careful watch of Miss Tyler, a flame that may burst forth, bearing results, only in the form of a wish now, but later a pleasant reality.

Withal, the evening was a success, grand and complete, and it will be memorable event in the lives of many.

Mass Meeting of Students.

Tuesday afternoon the student body met in chapel and elected officers for the coming year.

Mr. Alex Harwood, of Dallas, was elected president; Mr. Howell G. Knight, of Ballinger, vice president; Miss Beatrice Tomlinson, of Hillsboro, secretary.

Mr. John C. Welch, of the Y. M. C. A., set forth the plans and rules governing the use of the natatorium and museum. A nominal fee of \$2.50 will be charged for the privileges offered by the Y. M. C. A. of T. C. U. Half of this fee will be given by the Y. M. C. A. to the Athletic Association.

ENTHUSIASTIC MEETING

The Young Men's Athletic Association—Money Subscribed—Talks by Football Players and Others.

Athletics have never had a firmer footing at T. C. U. than at the present time. Especially is this true of football. There has been a time when the elimination of football was seriously discussed by those in authority here, but because of the high plane upon which Mr. Hyde has placed our greatest college game, and the manliness of the players themselves, football stayed, and now we feel that it will stay. We hope that this department of athletics is a permanent fixture.

Responding to an announcement made by Mr. Procter, president of the Athletic Association, all the boys met in chapel Monday and discussed football and finance.

Profs. Long, Snow and Hunter made short talks which gave a stimulus to the meeting. Mr. Hyde, our coach, outlined football in a general way and spoke of our schedule of games for the season. Douglas Shirley, who has long been a valuable man in connection with athletics here, spoke in his characteristic manner. Then the moleskin warriors of last season were called upon for short talks.

The financial side of athletics was discussed and several hundred dollars was subscribed by those present. This amount, together with the sum subscribed just before school was out last year, makes over four hundred dollars to the credit of the Association which, with the gate receipts of football for this season, will place us on "easy street" in a financial way. The general sentiment of the meeting seemed to be that the slogan throughout the year will be: "Pull together."

Mr. Campbell Barnard, of Dallas, was unanimously elected yell leader and after a few spirited yells the meeting was dismissed with everyone in high spirits.

The Y. M. C. A.

The Young Men's Christian Association of T. C. U. has opened with bright prospects. The young men of the University are taking great interest in the Association work. The Association has offered the following in the gymnasium and natatorium, gymnasium with instruction, hand ball, shower and plunge baths, social parlor, members meetings and social receptions. Young men's meetings Sundays, four p. m. Bible Training classes. We trust the young men will take advantage of the opportunities, and help the Association as well as themselves.

The following are the rules and regulations governing the gymnasium and natatorium:

Rule 1. No person will be admitted to the gymnasium and natatorium, but members.

Rule 2. No member will be allowed to pass to or from the gymnasium and natatorium, unless properly attired.

Rule 3. Every person, before entering the pool, must take a shower bath.

Rule 4. Soap is not to be used in the pool.

Rule 5. Every member entering the pool must wear a trunk of uniform size.

Rule 6. No loafing or loitering will be allowed within the gymnasium and natatorium.

Rule 7. No smoking nor profanity will be allowed.

Rule 8. Any member, upon request must present a health certificate.

Tuesday, Friday and Saturday afternoons from 4 to 6 the gym and nat. will be open to girls; Wednesday and Thursday afternoons from 4 to 6 and Saturday evening from 7 to 10 the gym and nat will be open to boys.

Mr. Holland will make any necessary rules about shoes, suits and hours of practice.

By this time all the students have become accustomed to the ways and manner of life at T. C. U. Most of the matriculates have settled down to consistent, conscientious work and are beginning to know what they are here for. Something is expected of every man who goes to college and you should now realize that you are preparing your life work and that your success or failure in college will be mirrored in your future life. If you cannot command the respect and favor of the faculty and your fellow-students, when you shall have finished your work in college, you will find you cannot command the worthy attention of your fellow-man. You will be profited by your work here in proportion to the amount of effort set forth. Do not expect to get more than you give.

The most important part of a college course comes first. One should have a determination to make every hour at college profitable. The correct habits of study should be formed. A short application of energy now will be the means of making your work pleasant and profitable during the entire course. No haphazard or dilatory methods should be indulged in for they will prove fatal, sooner or later. You are here not only to study the thoughts of others, but you are here to do some thinking for yourself.

To finish the moment, to find the journey's end in every step of the road, to live the greatest number of good hours, is wisdom.—Emerson.

Systematize your work at the beginning of your college career, and you will have no irregularity in the future.

The different literary societies here are taking on new life at every meeting, and the work already done is commendable. Every person in school, whether upper-classman or "prep," should join one of these societies for no other department offers so many practical advantages as our literary societies.

It was gratifying to note the complete organization of nearly every department of university athletics at such an early date. That a healthy and vigorous college spirit exists here cannot be doubted.

Remember that Secretary Hunter extends a cordial invitation to all young men to visit the city Y. M. C. A. Waco has one of the best equipped buildings in the state.

We wish to publish a complete T. C. U. directory in the next issue of The Skiff, so we ask that every department hand to the editor a list of officers not later than Friday noon.

Announcements.

The University minister for Sunday, Sept. 29, will be Dr. H. G. Fleming, of Forney, Texas.

Evangelistic services will be held in this chapel, beginning Wednesday evening, Oct. 2nd, conducted by Rev. A. E. Dubber, of Fort Worth.

C. O. B.'s Organize.

The College of Business has been a distinct organization for the past two or three years and has maintained a spirit equal to the other classes. Keeping up this spirit, they met Friday, Sept. 13, and reorganized. They are among the first to organize and expect to be found in the front rank in all the activities of college life.

The leadership of the class was put in the hands of the following officers: Mr. Lee Perkinson, of Comanche, Texas, president; Mr. B. S. Smizer, Atoka, I. T., vice president; Miss Bertha Phillips, secretary and treasurer.

The Reception Tonight.

The members of Clark Literary Society will entertain all the young ladies of the Girls' Home and Townsend Hall

in the parlors of the Girls' Home tonight. It will be remembered that the Clark Society is only a year old, it having sprung from the division of the Add-Ran Society last year. The Clarks have already secured a live, active membership and it will soon have an enrollment equal to any of the other societies.

The Clarks offer something unique tonight in the way of a Progressive Peanut Party. Just what this is we are unable to state just now but we know it will be a success with the Clarks at the helm.

A prize of a Clark pennant will be given to the young lady who is successful in getting the largest number of peanuts out of a bowl with a hat-pin.

A short program has been arranged and punch will be served. All the young ladies are cordially invited to attend.

CHALLENGE.

Inasmuch as there has been deplorable scarcity of inter-society debates in late years at T. C. U., and believing that such are helpful in learning to become proficient public speakers, and in fostering class spirit, the Shirley Literary Society hereby issues a challenge.

The challenge is to any other literary society of T. C. U., participants to be student members and debate to be conducted according to the constitution of Oratorical Ass'n., and to be open to the general public.

If other literary societies are doing real literary work and living up to their statements there will be some inter-society debates at T. C. U. this year.

(By authority of president.)

Seniors Organize.

The Senior class met Wednesday afternoon and organized for the year with the following list of officers:

Gordon B. Hall, president, Madisonville, Ky.; Paul L. Tyson, Santa Anna, Texas, vice president; Miss Jennie McCullough, Haskell, Texas, secretary; Miss Beatrice Tomlinson, Hillsboro, Texas, treasurer. Five or six new members, enlarging the class to a membership of seventeen, were enrolled in the class at this meeting.

"Fritz" does neat and accurate typewriting.

AMONG THE COLLEGES.

Football arrives in the West this week. On Friday next, by permission of the faculties of arts, literature and sciences of the conference colleges, the gridiron sport will advance into the subdued limelight of another sterilized season, and the practice season will be on in the "big eight" camps.

Preliminary invoices in all the western headquarters have resulted in the usual gloomy forebodings in most of the schools, but the majority of the rooters are expecting to celebrate the opening day for all it is worth. Michigan's absence from the conference body and the second reign of the "purity" rules are the chief dampers on the horizon, and the coaches are predicting an auspicious season in spite of these handicaps.

Chicago and Minnesota are in the lead this year, with the principal "big eight" game scheduled, and critics in both schools claim that the championship will be settled Nov. 2, when the maroons and gophers meet on Northrup field, despite the "no championship" rules. In addition to this game, Both Chicago and Minnesota will meet the Carlisle Indians, when the comparative score "dopesters" will get in their work.

Maroons Are Strong.

According to advance reports the maroons are on top of the bunch at present. A veteran all-star back field and a big bunch of varsity material from last year's freshman class will be on hand to start things up when Coach Stagg gets busy on Marshall field. The Midway director has postponed Chicago's opening until Sept. 23, but the rest of the schools will begin the grind Friday.

The maroon forces have lost Eckersall, Parry, Walker, Noll, Russell, Watson, Finger and Templeton of the "C" men, and Coach Stagg must depend largely on his 1906 freshmen for the line. In the back field Steffen at quarter back, Iddings and DeTray at the halves and Taylor at full back are slated for the positions.

Coach Stagg's roster up to date includes besides these, Anderson, Kelley, Jones and Hewitt of the veteran linemen; Harris, Schommer, Ferguson, Ettinger, Macomber, Meigs, Ehrhorn, Sunderland and Page, freshman backs, and Maddigan, Handy, Wendt, Metsger, Doseff, Proston, Worthwine and Hoffman, freshman linemen.

Gophers Lose Stars.

Minnesota's prospects are unsatisfactory to the gophers, especially since the announcement that half a dozen of Coach Williams' men will enter Dartmouth this fall. A letter received from one of the gophers yesterday by a maroon athlete confirmed the report that Marks, Hawley, Capron, Saxton, "Jack" Oswald and "Moose" Oswald have decided to go to the eastern school.

Hawley, who was slated for full back by the gophers, will be a big loss while the rest of the desertions will shake up the gophers badly. Capron, according to the Minnesota rooters, was the best kicker in school last year and had been depended on for one of the halves. Schuchnecht, left half, and Safford, center, both of whom played great games against the maroons last fall, with the mainstays of the eleven. The loss of Vita, Ittner, Larkin, Burrent, Marshall and Smith places Williams in a bad way at the start.

Badgers Have Hope.

The Wisconsin supporters are expecting a "big" year at Madison, while the Illini claim they will make a satisfactory showing. The boiler-makers will have a big squad out at Lafayette, and expect to show up the hoosier schools this year. Coach Jimmy Sheldon, who has left for Bloomington, will have but two veterans backing Indiana as a starter for his team.

Mr. Webster, traveling companion of President Lockhart in Europe and Holy Land, will deliver an illustrated lecture upon these places in T. C. U. chapel Thursday evening.

The lecture will be under the auspices of the T. C. U. Women's Club.

THURSDAY IN CHAPEL.

Chapel exercises haven't yet been normally adjusted, but Thursday, in Chapel, was a reminder of last year by having E. J. Hyde speak to the students about football.

No one is more popular as a speaker or as a man than Coach Hyde, and as he went forward he was greeted enthusiastically by students and faculty. Mr. Hyde, in order to make the game more clear to new students, used a blackboard and illustrated the exposition with diagram. The speaker first discussed the game as under the old and the present regime, recounting the changes made. He also explained some of the more common terms which are used.

After this talk there is no need for anyone to be ignorant of the essential points of the game, and we feel sure that Mr. Hyde's talk will do a great deal toward cementing a uniformity of spirit and enthusiasm in the game to come soon.

RELIGIOUS NOTES.

The University Sunday School starts off better than ever before. There is a 4 per cent increase over last year's enrollment. Three new classes have been added.

All are sorry that Prof. Faris, who acted last year as superintendent, will be compelled by other engagements to turn that work over to other hands. A new superintendent will be elected soon.

We have been glad the past week to have with us Miss Mercy Perkins, the very efficient secretary of the school of last year. We are sorry that Miss Perkins will not be with us again this year. But we believe we have found a worthy successor in Miss Nell Andrew, and we welcome her as our new secretary.

We are all justly proud of our Sunday School choir. These young men have a great part in making our Sunday School the enjoyable service that it is.

This is the first year the Baraca and the Philathea classes have been introduced. The Baraca is composed of young men with Miss Tyler Wilkinson as teacher. The Philathea's have Miss Mary Clyde Reeves for their teacher. Much is expected from these fine young people.

It would be good for the Sunday School to take up some philanthropic work. The East Waco Mission is suggested by one of our students. Mr. Tripp, of Okla., will preach for that mission this year.

Rev. A. E. Dubber, of Fort Worth, will begin a meeting for the University church Oct. 2.

The prayer meeting Wednesday evening was led by President Lockhart. The attendance at this meeting was small. A number of those present made talks along the line of "increased attendance" at these mid-week services. It is hoped that this

will be made one of our best services, one where we can all come together and receive spiritual help.

The membership committee of the Y. M. C. A. will have charge of the meeting Thursday evening, Sept. 26th. This committee has been at work since the opening of school, as shown by the fact that they had twenty-four new names to present for membership at the first meeting of the Association. We feel sure that the meeting in their hands will be an interesting one.

WHO'S WHO?

The papers will tell you there's war in the air.

That the eagle is screaming with rage;

That the Japs are intending no war to declare

Before starting a bloody rampage.

O, Hawaii is garrisoned with Nippon's men!

And they've got all the plans of our forts;

The Phillipine Islands are in peril again,—

so go newspaper reports.

Teddy's shown' his teeth in lieu of a smile,

The Japs' urbanity's a ruse;

For they bow and appear not to notice the while,

Our battleships "go on a cruise."

But there's one thing the press shouldn't fail to tell,

Before the Jap eats the Melican man;

Thing all are asking, so tell it well—

That's "Who in the 'ell is Japan?"
—Swall.

THE Y. W. C. A. AT T. C. U.

Splendid Prospects and Enthusiastic Meeting Held.

That the Young Women's Christian Association of T. C. U. is one of its most popular and beneficial organizations can not be denied. There has been here for several years such an organization, but never before has there been such intense interest as has been manifested under the administration of the new officers, who began their work the first part of last March. The whole cabinet and most all members of the Association have been "on fire" since the state convention last year, and the heat has been increased since our president's return from the conference held at Cascade, Colorado, in August.

The Association held its first meet-

ing on Thursday evening, September 19th. The parlor in the Townsend Hall was soon filled with girls sitting in rows on the floor around the walls of the room. The meeting was called an "Information Meeting," intending to set forth in a general way the work of the Association and it was very successfully led by Miss Beatrice Tomlinson, our president. Many interesting things about Association work were discussed, but of course it was impossible to discuss all that the Y. M. C. A. stands for in such a short time. At the end of the meeting the membership committee proposed the names of twenty-four of the new girls for membership, and reported that several others talked favorably of becoming members.

We are always glad to welcome new members and we do hope that before very long every girl in school will belong to our Association. If you do not care to join the Association you are invited to visit our meetings at any time.

Sophomores Organize.

The Sophomore class perfected organization Thursday by electing the following officers: Loy C. Wright, Rosebud, president; Herbert Bozeman, Bartlett, vice-president; Miss Lucile Wolford, Allen, secretary; Miss Mary Bain Spence, San Angelo, treasurer.

Get in Line.

Now is the time,
To get in line;
The football season is open
Shin-guards don
Put your nose-guard on
Keep trainin' and fightin' and hopin'

We're going to win,
Though we lose our skin,
In battle for our alma mater.
What does it boot
If you loose your snoot,
while making the enemy scatter?

Now is the time,
To get in line,
You "co-eds" who stand at the helm;
You can victories treble,
If you root like the debil,
And tender that coin of the realm.

T. C. U. SONG.

We'll gather on the campus,
Where the moonlight's soft and bright,
And sing our songs of love and war,
To T. C. U. to-night.

(Chorus.)

We'll bedeck your brow with purple,
And drape your loins with white;
And foes may come and foes will die,
For you we love to fight.

(Chorus.)

At your feet we lay our victories,
Gotten now and in after life;
And 'till the end, our Alma Mater,
You'll be the Goddess of our strife.

(Chorus.)

Oh, T. C. U.

Noble and true,
We sing to you to-night.

Just Keep On Keeping On.

If the day looks kinder gloomy,
And your chances kinder slim!
If the situation's puzzlin',
An' the prospects awful grim,
An' perplexities keep pressin'
Till all hope is nearly gone,
Jus' bristle up an' grit your teeth
An' keep on keepin' on

Fumin' never wins a fight,
An' frettin' never pays;
There ain't no good of broodin' in
These pessimistic ways—
Smile just kinder cheerfully
When hope is nearly gone,
An' bristle up an' grit your teeth
An' keep on keepin' on.

There ain't no use in growlin'
An' grumblin' all the time,
When music's ringin' everywhere,
An' everything's a rhyme—
Jus' keep on smilin' cheerfully,
If hope is nearly gone,
An' bristle up an' grit your teeth
An' keep on keepin' on.
