CHAIRMAN OF THE BOARD

April 6, 1943.

Honorable Amon G. Carter,
Fort Worth, Texas.

My dear Amon Carter:

May I express to you my profound sympathy on the news regarding your son, which I have just read.

I trust with all my heart that your boy, whom I know has been missing in action, will be spared to you. There is nothing much that I can say, but am sure you will understand.

Sincerely yours,

Ch. M. Chester
