Dear Amon:

I wired you on March 31st in response to your note of March 27th. I hope you received my wire all right. I have today received a copy of a letter written by Mr. John W. Hill of the firm of Hill & Knowlton to you on April 3rd with reference to the advertisements for the Special Edition of the Star Telegram to be published on April 19th.

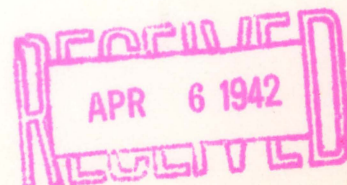

I want to say again how happy I am that you are doing this very fine thing, and I hope it will be a huge success. In fact I know it will be even more than that.

With every kind regard and good wish to you, please believe me, as ever,

Sincerely,

Vitn.
