The Faculty Bulletin is issued a day early this week, because of the fact that Saturday is a holiday. There will be no issue of the Bulletin on Friday, Jan. 3, due to the fact that the Christmas holidays close only the day before that.

The Bulletin could be made of much more value to the faculty if more persons would co-operate in providing copy for it. Department heads and committee chairmen, in particular, should have frequent contributions for the Bulletin.

Rollin Pease, noted bass-baritone and oratorio singer of Chicago, will be presented in concert at T. C. U. on Friday evening, Jan. 10. His appearance is sponsored by the Faculty Women's Club. Dr. Guclick and Mrs. Cahoon both report Pease as a truly great artist, and worthy of your support. More details of the concert will appear later in the daily press.
