Hon Franklin D Roosevelt
President, The White House
Washington D C

Dear Mr President:

I was in the air yesterday flying home, got in late and was unable to congratulate you on your birthday ~~yesterday~~. However, I assure you that the delay takes nothing from the sincerity of my wish for your health, happiness and success. To this I wish to add the fervent hope that you not only may be permitted to observe many more birthday anniversaries but that this nation may be permitted to enjoy for ^{more} many years the fine contribution you have made to its well being.

Sincerely yours,

Amon Carter
