Dear Betty:

Enclosed is an autographed picture of
Eddie Cantor on the Palomino horse and in the silver
mounted saddle which some of my friends in Fort Worth
presented to me. I have named the horse for sweet ol'
Will.

The saddle blanket is of purple and white
representing T.C.U.'s colors.

I thought you would be glad to have this
picture which Eddie has autographed to you.

With best wishes, I am

Sincerely,
