Mr. Amon G. Carter  
Star-Telegram  
Fort Worth, Texas

My Dear Amon:

This is an attempt to express to you how delighted I am to hear that your fine boy has been located. It is wonderful to know we can entertain hope of his eventual safe return.

I could write at length, and never be able to express my genuine happiness, but do want you to know I sincerely rejoice with you.

Your friend,

*Brown Harwood*
