Dear Amon:

I appreciate your sending me the newspaper clippings concerning your son.

While it is terrible for him to be a prisoner of the Germans, knowledge that his life has been spared has been a great relief to you and to your friends who have been so anxious for his welfare.

It may be too optimistic, but I am hoping and believing that the Germans are going to be whipped before summer passes.

With kindest personal regards, I remain

Sincerely your friend,

Mr. Amon G. Carter
