Mr. Amon G. Carter,
c/o Fort Worth Star-Telegram,
Fort Worth, Texas,

Dear Amon:

Not having received my paper for several days (a greater disappointment than you can realize) I looked up my check stubs this morning and find that my subscription ran out some days ago. Herewith my check for six months subscription to the daily and Sunday Star-Telegram providing the rate has not changed.

Incidentally I want to say that the correspondence between you and "Ma" was the most interesting reading I've had in some time and I don't think any one questions the fact that you won out "hands down" in the discussion.

Its real winter here now, over six inches of snow on the ground and snowing again this morning.

With all good wishes to you and yours, I am

Sincerely your friend,
