Mrs. Helen A. Thill,
395 Ocean Avenue,
Brooklyn 26, N. Y.

Dear Mrs. Thill:

In reply to your letter of May 18 received during Mr. Carter's absence from the country, please be advised that we have no further information than that carried in the news story concerning Private James F. Thill. A cable from Mr. Carter in Paris advised that his son would return by boat and should reach here the latter part of this month; however, Lieutenant Carter arrived by plane a couple of days ago and has reported to Washington. Meanwhile, when he reaches home if he has any further information concerning Private Thill, I am sure he will be glad to communicate with you.

Yours very truly,

Secy. to A. G. Carter.
