OMAHA CHAMBER OF COMMERCE
OMAHA, NEBRASKA

April 8, 1940

Mr. William Holden, Exec. Vice Pres.
Chamber of Commerce
Fort Worth, Texas

Dear Bill:

As I previously informed you, the Omaha civic committee paid no part of the expenses of visiting newspaper correspondents, or columnists, and officials of the Union Pacific Railroad tell me that they paid no part. Accordingly, I presume that the expenses were paid either by the motion picture company or by the organizations which the correspondents and columnists represented.

Good luck with your premiere, Bill.

Sincerely yours,

(Signed) Frank P. Fogarty
Commissioner
