FORT WORTH, TEXAS, FRIDAY, OCTOBER 16, 1942

NUMBER 4

Voice of the Editor

by
Lois Jeane Cayce

It seems as if an urging word is enough sometimes to alter a situation. Two weeks ago The Skiff suggested that the American flag fly every day on the campus. Through this suggestion and some personal contacts, this corner is happy that this situation now stands corrected.

For the past several weeks the newspapers throughout these United States have earnestly solicited scrap metal for Uncle Sam's use in manufacturing war necessities.

This drive is not over. In fact, a particular effort will be attempted tomorrow on the campus. It's not too late for every student to rummage through items lying about and see what might be given.

Once again the sanitary, rather unsanitary, conditions of eating places near the school have come in for criticism.

The Student Council is attempting to solve this undesirable problem. But the students' help is needed. If persons failed to patronize these places until the conditions were improved, it wouldn't be long before T. C. U.ites could eat without filth imposed on them.

While The Skiff is advocating improvements, it might be fitting to ask the Administration to consider declaring a holiday Nov. 14, which is Homecoming.

Wouldn't it be wiser for a holiday to be given in order that the best possible Homecoming might be staged, rather than have both a poor attendance in classes that day and a similarly poor Homecoming?

S. C. A. to Start Group Meetings

Freshman and upperclassman groups of the S. C. A. will meet for the first discussions of the year at 7:30 p. m. Tuesday. The groups will meet at various spots on the campus, to be determined later, and then go to the homes of the faculty sponsors.

Each member will be contacted by his group leader and told the meeting place. The subjects for discussion will be decided by the faculty sponsors and group leaders.

Each student has been assigned to a certain group. The lists have been posted on the "Y" bulletin board in the main hall of the Administration Building.

The sponsors and leaders are: Prof. and Mrs. C. R. Sherer, Miss Pat Seipel, Frank Crow; Dr. and Mrs. H. R. Mundhenke, Miss Vesta Lee Newsom, Ernest Allen, Jr.; Dr. and Mrs. Newton Gaines, Miss Virginia Churchill, Ed Cornelius; Dean and Mrs. H. R. Pittman, Miss Dorothy Sines, Lloyd Stevens.

A meeting of the S. C. A. cabinet will be held at 12 o'clock noon Tuesday in the alcove of the Cafeteria.

On Friday, Oct. 30, a theatre party and pep rally at the Parkway Theater will be sponsored by the S. C. A. "The name of the picture will be given later," says Miss Ruth Hardy, president.

Rev. L. D. Anderson To Speak at BCB Chapel

"Christian Growth: Upward" will be the subject of a talk by the Rev. L. D. Anderson at B. C. B. chapel next week.

"Christian Growth" is the general topic for October. Prof. C. A. Burch will talk on "Christian Growth: Upward" Oct. 28. Dr. William V. Roosa spoke on "Christian Growth: Inward" this week.

These meetings are held at 11 a. m. every Wednesday in Brite College Chapel.

Four New Members Admitted Into C. of C.

Four new members were admitted to the Chamber of Commerce Monday.

They are: Bob McCollum, James Wiley, John Carlson and Laverne Harding.

Service Board Will Speak To TCU Boys

Opportunities in Each Branch Will Be Outlined For Students Monday

The Joint Army, Navy and Marine Corps Presentation Board—made up of representatives from the United States Army, Navy, Marine Corps, Naval Air Force and Army Air Force will meet with male T. C. U. students at 3 p. m. Monday in the Auditorium.

Each representative will speak for 15 minutes on the opportunities for war service open to men of college age and qualifications. After the talks, the officials will answer any questions which students wish to ask.

This board will be followed, in two weeks, by a recruiting party, which will actually enlist those students who desire to be enlisted.

Boys Urged to Study Advantages "This program, designed to induct creditable students into Officers Training School, is tremendously important, and it is the patriotic duty and urgent desire of the government to have these students seriously consider the advantages offered," says Dr. Gayle Scott, liaison agent between T. C. U. and the Eighth Service Command.

"While not on active duty, men enlisted in a reserve are actually in armed service. Unless the exigencies of the war situation demand it, they will be allowed to remain in college in order to better prepare themselves to serve their country," Dr. Scott adds.

While science courses are emphasized, any standard college work toward a standard degree is considered adequate for acceptance.

Students especially capable in physics and chemistry, having enlisted in a reserve, after graduation have the opportunity of either going to Officers' Training School or of being placed in vital industry work.

T. C. U.'s reserve quota is 160. Thirty-seven per cent of this number must come from the freshman class, 26 1/2 per cent from the sophomore class, 19 per cent from the junior class and 17 per cent from the senior class.

This quota is flexible, however, and no good student will be restricted from enlisting because the quota has been filled.

"Reserve students must make satisfactory grades, which will be reported at the end of each semester, or they will be called into the service as enlisted men," says Dr. Scott.

"All men not enlisted in some reserve of the armed forces, or in some way exempted from the Selective Service, are required to be in the Auditorium for this meeting," says Dr. Scott.

Educational Journal Asks Help of Dr. Porterfield

Dr. Austin L. Porterfield has been asked by the editors of the Journal of Educational Sociology to co-operate with them in 1943 in the publication of one issue of the Journal on "Science and Education in Democratic Social Integration."

Dr. Porterfield's article on "The Problem of Response to Personality Frustration: A Concrete Example" will be published in the October or current issue of Social Forces.

Gresham Will Address Timothy Club Monday

"The Delivery of the Sermon" will be the subject of a talk by the Rev. Perry Gresham at Timothy Club meeting at 4 o'clock Monday afternoon in the Brite College Club room.

Coe to Join in Helping Office of Civilian Defense

The Office of Civilian Defense has asked the help of T. C. U. coeds. Lieut. Helen Murphy will hold a meeting at 11 a. m. Monday for the purpose of signing the girls up and explaining the duties to them.

"No uniforms will be necessary, and the work should be very interesting," says Lieut. Murphy.

Duties will be on the recreational side. They will consist of spending a few hours a week in a day nursery, caring for the children of other war workers; teaching in community houses and conducting recreation classes.

PRESIDENT of the freshman class is Jack Wilson at right in the top picture, shaking hands with Runner-up Charles Martin. Wilson was victorious by a 49-to-24 vote Wednesday. The other officers, pictured below, are left to right: Miss Elizabeth Glascock, secretary-treasurer; Bill Sanders, vice-president; Miss Nina Elliott, Council representative.

Hey, Froggies, "Zippy" Poster!

Glee Club Has Right Idea To Change 'Stinkeroo' Bulletins

Some of the bulletin boards scattered here and you are attractive, while others . . . stink!

As a good example take the "Join the Glee Club" announcement. The music is right there, and as you read you sing. People passing in the hall can listen—if they think you are good—then they snatch you up. Otherwise you needn't worry, because if yours is a hoarse croak you'll be left strictly alone!

The Brushes' board usually looks fine—as it should. For if the artists can't decorate, then who can? The picture on display at present is in keeping with the times and Prof. S. P. Ziegler deserves credit for this

thought. If you haven't seen his army-life portrayal, go by and take a long look. It's worth it.

Registrar Hutton was overheard musing as to possible reasons why students haven't come into his office to report changes in addresses, phone numbers and the like. An explanation seems pretty obvious. The fact is that the list is posted inside a glass case and—the panes are so smudged you can't see through them! And that case isn't the only one in such condition.

Another peeve: Each club is assigned a board, so how come some of you fellows put your posters up on top of another guy's? Maybe we're more interested in the bottom ad—what then? And if you're going to put yours on top don't leave parts of the first one sticking out to arouse our curiosity—either cover it up or don't!

These long lists of names, room numbers and so forth may be of interest to some people, but on inquiry we find that no one even knows what tacked it up. Why not draw a picture at the top of the sheet to keep the disinterested observers amused?

Congrats to Los Hidalgo for always having an attractive, interesting and informative poster. They're colorful and really catch the eye.

Why doesn't the rascal who is responsible for the "ugly ducklings" snap out of it and post some real eye-openers?

A. C. S. to Start Metal Drive

"Scrap" Party, Picnic Begin Activities—Areas Assigned Student Helpers

The campus scrap metal drive will begin at 1 p. m. tomorrow.

The day's activities will begin with a "scrap metal" party and picnic. The group is to meet at the Arch in front of the Administration Building at 1 p. m.

Students appointed by the student affiliate of the American Chemical Society for collection in the various buildings on the campus are: Eugene Becker, Goode and Jarvis halls; Miss Frances Armstrong, Foster hall; John Allred, Gymnasium, Bob Magoffin and Gene Douglas, Clark Hall and Biology Laboratory.

Although the drive is sponsored by the Chemical Society, all students who can, are asked to participate.

A container for the scrap will be placed near the rear entrance of the Cafeteria.

Rev. Sherwood Clayton Speaks to Music Class

The Rev. Sherwood S. Clayton, rector of St. John's Episcopal Church, was guest lecturer in Dr. T. S. McCorkle's class in "History of Music" Tuesday.

The Rev. Mr. Clayton is an authority on the Gregorian chant, and spoke on that subject.

Dr. McCorkle says that he hopes to bring in many guest speakers and artists from time to time for the benefit of music majors and others who may be interested.

Students Will Nominate 'Favorites' Wednesday

Presentation Ball to Be Dec. 12 In Basketball Gym—Decorations To Be Done in Southwest Theme

Motor Corps Is Organized

Lieut. Helen Murphy Leads Classes—Girls to Work For Red Cross or U.S.O.

A T. C. U. division of the American Red Cross Motor Corps is being organized under the leadership of Lieut. Helen Murphy.

The Corps will consist of girls who can pass a stiff physical examination, a driver's test given by the State Highway Department and both the "Standard" and "Advanced" courses in First Aid.

There are two "Standard First Aid" courses to be taught on the campus. A class at 7:30 p. m. Monday and Thursday will be taught by Miss Mary Kate McCuiston. Another class on Wednesday and Thursday nights will be instructed by Miss Dorothy Bryant. These classes are two hours long, and the method of practical application is followed.

Each Tuesday night the T. C. U. division will practice drill formations with the regular Fort Worth Corps. Lieut. Murphy is the head of the entire division on the drill field.

The Corps will go into uniform immediately. As the girls complete the "Standard First Aid" course, they will be put on active duty to serve while they are taking "Advanced First Aid."

The rule requiring all members to have constant access to a car has been lax for this college division. The girls will be put on duty at U. S. O. stations where a Motor Corps station wagon is available. Each girl is required to devote three hours a week to either the U. S. O. or Red Cross.

The completion of the "Advanced First Aid" heralds in a course in "Motor Mechanics," which is essential to each member of the Corps.

The girls go in as privates, although the term is not used. If they wish further advancement in rank they must pass an "Instructor's First Aid" course. After this is completed, advancements are made according to individual abilities.

Any girls who are genuinely interested in the Motor Corps are invited to attend a meeting at 11 a. m. Monday.

Annual Business Banquet Set for Thursday, Dec. 3

Dec. 3 has been announced by David McKee as the date of the annual School of Business banquet.

Plans are now being made for the occasion.

Nominations for the 1943 Horned Frog favorites and Presentation Ball celebrities will be made from 8 a. m. to 1 p. m. Wednesday in the Auditorium.

The entire student body will again go to the polls and nominate all favorites. Each student will nominate three girls and three boys from each of the four classes. From the top 48 nominees—24 girls and 24 boys—who are named Wednesday, the final 24 favorites will be chosen in a final student body election Nov. 4.

The winners will be presented at the annual Presentation Ball, which will be held Dec. 12 in the Basketball Gymnasium. This will be the last school social before the Christmas holidays and is one of the largest formal events of the school year. Decorations for the Ball will be in keeping with the Southwest theme of the 1943 edition of the annual.

Miss Bettye Flo Baker and Miss Shirley Hall, society editors of the book, are in charge of the arrangements and decorations for the ball and for the favorite section of the annual.

Each favorite will also be given a full page in the annual and will be pictured in an informal pose for the first time in a T. C. U. annual. This will be done in keeping with the informality of the book which is necessitated by the Southwest theme.

Staff members for the annual and their positions are as follows: Editor, Miss Virginia Tomme; business manager, LeRoy Schell; assistant editor and in-charge of the classes, Miss Lois Jeane Cayce; assistant business manager, Norvill Early; sports editor, Elmo Webb; society editors, Miss Baker and Miss Hall; club editors, Misses Virginia Churchill, Edleen Armstrong and Mary Allene Ingram.

Photographers, Miss Betty Jane Jones, Thomas K. Moy, Miller Mosely and Horace Busby; artists, Eugene Reed and Dick Maxwell; copy writers, Misses Marcia Mills, Billie Jean Boney, Virginia Williams and Dorothy Jane Sheets.

The first staff meeting will be held at 11 a. m. Monday in the Horned Frog Office.

"Deadline for all class pictures will be next Friday. Our photographer, Orgain, will take pictures on Saturday night or by appointment Sunday. He is doing all he can to help us, so why not co-operate with him?" asks Miss Tomme.

Benton, Mehaffey New Managers

Frank Benton and Carl Mehaffey were elected joint dance managers at the Student Council meeting Monday. Melvin Dacus, who previously held the position, resigned last week.

A Halloween dance Oct. 31 is the next one on the campus social calendar.

Jean Wray Is Studying Nursing in Indianapolis

Miss Jean Wray, former student, is in Indianapolis studying to be a nurse, friends on the campus have learned.

In a recent letter she states that upon completion of her training she probably will become an army nurse.

"I don't suppose there's any chance that the war will be over within the next two years. I will have plenty to write about and lots of stories to tell then. I heard Laurence Tibbett last night. He came all the way from New York to play one night's engagement at the U. S. O.," she adds.

Harmon Hightowers Visit Campus, See Game

Mr. and Mrs. Harmon Hightower, both former students, visited the campus last week-end. They attended the T. C. U.-Kansas game. Hightower is a flight instructor with the Coleman Flying Service. Mrs. Hightower is the former Miss Anne Hutton, daughter of Registrar and Mrs. S. W. Hutton.

Miss Biser

Elizabeth Biser Church Officer

Miss Elizabeth Biser, A. B. '40, is the Rev. Perry Gresham's new assistant, succeeding Miss Lennie Robertson.

Miss Biser taught for two years after she graduated from T. C. U., first in Beaumont, her home town, then in Ozona. Now she is back on the Hill helping the Rev. Mr. Gresham.

While in T. C. U., Elizabeth was president of Meliorist Club and interested in all religious work. She was also president of Ampersand her senior year. She majored in English.

Since her father is pastor of the Christian church in Beaumont, it is natural for Miss Biser to be interested in religious work of all kinds.

"I'm glad to be back on the T. C. U. campus. It really seems like coming home," she says.

B. C. B. Will Sponsor Assembly Next Week

B. C. B. will have charge of the Assembly program at 11 a. m. next Friday.

Dr. Wilfred E. Powell, professor of religious education at Phillips University, spoke in Assembly today. He will speak at the Fellowship Dinner at the First Christian Church tonight.

Band "Boys" Are Now 25% Girls

The "Home Front," in all its aspects, is being more and more held by girls. The Horned Frog Band and the T. C. U. Orchestra provide no exception.

The band is 25 per cent girls, and the orchestra membership is 50 per cent coeds.

Of 43 musicians in the band, nine are girls, according to an official personnel list prepared by Prof. N. J. Whitehurst.

This year is the first time that coeds have played with the marching band, although they were admitted to membership in the concert band several years ago.

The orchestra, with a total membership of 25, has 12 chairs occupied by girls.

The membership lists of the two organizations, with the instruments played, are as follows:

Orchestra: Harry Apetz, trumpet; Lynwood Broyles, trumpet; Jack Can-

non, violin; John Carlson, flute; Russell Caviness, trombone; Kirby Ellis, French horn; John Farris, clarinet; Faye Faulk, viola, Polly Gean, violin; Lois Agnes Gilbreath, cello; Lora Dell Harwood, violin; Horace Hay, trumpet; Margaret Hopkins, violin; Jerry Janes, violin.

Robert King, French horn; Wilma Miller, clarinet; Frances Murphy, violin; Ted Norman, saxophone; Jane Pureyear, violin; Charles Patteson, saxophone and clarinet; Max Helen Pickens, bassoon; Mary E. Routledge, violin; Preston Stedman, violin; Leon Streatly, saxophone; Pauline Snyder, violin.

Band: Harry Apetz, trumpet; Homer Baughman, Jr., clarinet; Betty Jean Blackwell, flute; Lynwood Broyles, trumpet; Gladys Cain, trumpet; John E. Carlson, Jr., flute; Edwin Carruth, drum major, Russell Caviness, trombone; W. Pitts Cradington, drums; Melvin Dacus, piccolo; Judy Davis,

cymbal; Norvill Early, trombone; Walter Edwards, clarinet; Kirby Ellis, French horn; A. M. Evans, clarinet.

John Farris, clarinet; Virgil Fraser, bassoon; Gene Garrison, trumpet; Lois Agnes Gilbreath, oboe; Carroll Grafa, baritone; Harlan Grenmillon, clarinet; Frances Hall, twirler; Horace Hay, trumpet; Bill Horn, drums; Fred Hudgins, clarinet; Eugene James, baritone; Robert King, French horn; Elbert Lunsford, saxophone; Margaret McKennon, flute; Bill Michero, drums; Wilma Miller, clarinet.

Ted Norman, saxophone; James Riley Pace, Clarinet; Charles Patteson, clarinet and saxophone; Max Helen Pickens, saxophone; Jimmy Pickering, bass horn; Roy Pittman, clarinet; Gloria Sheinburg, bell-lyre; Meredith Slaughter, saxophone; Leon Streatly, saxophone; Robert Wilchar, Jr., clarinet; and Raymond Wood, baritone.

Frosh, Seniors On Same Squad?

Left guard, Joe Jones, experience senior; center, Sam Smith, experience—freshman.

Yes, Southwest Conference teams might have their starting lineups read in that way—seniors and freshmen on the same team. Hmmm-m, could be—but chances are that it won't happen.

The rumor got started again when Arkansas asked to use its first-year men, since three games remain on the Porkers' schedule in which the opposing team will use its frosh. How and when definite action will be taken on the question remains to be seen. Now Rice, about to lose seven men, may ask for freshman help.

At present only three conferences are sticking to their old eligibility rules—the Southwest, the Pacific Coast and the Big Nine. Advantages of using freshmen can be seen in several instances close to home. Hardin-Simmons had dropped both Baylor and S. M. U. with first-year boys playing a big part. The success of Tulsa is another example.

Is it too late to help the Southwest teams? Chances are that it is. Freshmen would have to learn plays after almost half of the season has passed. But even at that, the aid of only one or two exceptionally good boys would help any of the Southwest teams.

This may be the last year of football for the duration. A few freshmen might get their only chance at varsity competition by playing this year.

Why not let it be agreed that freshmen can play? Then let each coach select the boys that he thinks can strengthen his varsity; not take the entire freshman team over. The rest of the boys on the class-of-'46 club could then finish out the regular freshman schedule. In this way both the coaches and the boys would benefit.

Girls Miss Calls After 8 in Foster

Coeds couldn't receive telephone calls after 8 p. m. when living in Jarvis Hall because the bells in the halls disturbed everyone. Now that the buzzer system has been installed in each room in Foster Hall, girls are still not allowed to answer the telephone after 8 o'clock in the evening. The individual buzzers are heard only by the girl and her roommate, without disturbing anyone else. This system omits much confusion.

Long-distance calls may be accepted, and if friends from out of town are passing through town, they may talk to a girl living in the dormitory. But many friends passing through don't tell the person at the Foster desk that they are from out of town; thus many calls are missed.

A three-minute limit is put upon telephone use. If girls are supposed to be studying after 8 p. m., would this short time interfere so very much? An important call from someone in town may be made sometime, and the girl wouldn't be allowed to take it.

The dormitory is open until 11 o'clock each evening. When boys come for their dates, the buzzer is sounded and makes as much noise as if the girl were wanted on the telephone. Why shouldn't the girls be allowed to accept telephone calls after 8 p. m.?

Are You a Bill, David or Jack?

Bill, David and Jack were roommates in college, but they had different conceptions of what to get out of going to college.

Bill was a "good ole Joe" and the first one asked to a party. He went somewhere every night. A wonderful dancer, he never missed an opportunity to date the cute girls. He was never worried about anything except football, which was paying his way through school. He loved any kind of sports, wanting to excel in all. Every day he could be found practicing for hours, but when night rolled around he took in a little entertainment and never got in early enough for rest.

David was another one of the three boys. He liked to get as much education as he possibly could cram into the four years. He studied every afternoon and night. He knew very few people on the campus and only slept a few hours at night. He preferred the association of his studies to that of friends.

Jack liked to play football and had been elected captain this year. He was popular with girls, boys and professors alike on the campus. He liked to date and go dancing, but he also liked to keep up lessons. He usually managed to sleep eight hours a day, except on special occasions. He studied a certain number of hours a day in a regular schedule. This routine left him plenty of time to practice athletics and to take in an entertainment now and then.

When Bill graduated he had had a good time in college. When David graduated he was "magna cum laude." When Jack graduated he had a fundamental education on which to make friends and to build a success in the world.

Early Social Hour Needed by Clubs

Club socials are being affected by the war because of the transportation problems, but should not be discontinued because of it. Rather, a challenge is presented to the students to discover new and original ideas for afternoon entertainment on the campus.

Formerly, a few organizations have held luncheons and afternoon teas instead of socials off the campus. The alcove in the Cafeteria and other nearby eating places are available for luncheon meetings. Teas and coffees may be held either in Brite College or in Foster Hall. Excellent kitchen facilities and the living room on first floor and lounge on second floor are offered in Foster.

Hiking, miniature golf, bicycle parties and picnics should come into their own in nearby Forest Park. Perhaps business and social meetings could be combined with business sessions preceding the social.

Dormitory students have had transportation problems in the past, and this will tend to be accentuated now. Town students who formerly were allowed to drive cars, not only to morning classes but back again for evening socials, will be fortunate indeed if they are free to drive the car only to class. Therefore, for night meetings, it would be necessary for them to ride busses, already overcrowded.

"We Can, We Will, We Must"

"We can, we will, we must!" Those omnipresent words of President Franklin D. Roosevelt have been hailed by every industry and institution which likes to call itself American.

Most universities have risen to the call and are doing their part in the war effort by including practical courses which will train persons for better service to their country. T. C. U. has fallen in step. Its curriculum now includes sixteen courses that were not taught previous to last Dec. 7. These are commercial and engineering subjects.

Known as the "Engineering, Science, Management, War Training" program, all of these classes are offered tuition free. Of the 16 courses, seven are given under direct supervision of E. S. M. W. T., six by T. C. U. alone, three by sponsorship of other schools. No University credit is allowed for these particular subjects. But persons shouldn't complain about that, because of the benefit derived. Red Cross first aid courses are being taught by the girls' physical education department. No one could doubt the necessity of these.

T. C. U. is aiding the war-time program in another way. Housed in Goode Hall are some 85 men who are taking C. P. T. Later they will be members of either the Army or Naval Air Corps. Numerous male students have already enlisted in some reserve branch, not to mention the faculty members and former students now serving in the armed forces.

T. C. U. is conscious of the United States at war. T. C. U. is offering to help in all possible ways. T. C. U. reiterates President Roosevelt's commanding statement, "We can, we will, we must!"

Orchids to Prouse P. E. Department

More power to Prof. Tom Prouse and his staff in the men's physical education department. One of the most remarkable improvements in the school since last year is here.

Contrasted with a not-so-clean locker room with old beat-up lockers, this year there are repaired and freshly painted lockers and a freshly painted and continually clean floor.

Boys without lockers last year just laid their clothes about on benches, or hung them on the pipes overhead. This year, Mr. T. Taylor is there to hand out baskets to them for their clothes and to keep these in the basket room. He also is doing a fine job of keeping the locker room tidy.

Undaunted by a greatly enlarged program in physical education for men, Prof. Prouse and his helpers are carrying on in fine shape. Besides the addition of juniors and seniors to the P. T. classes, the C. P. T. boys also play football and baseball daily under their direction.

In spite of all of this, the department is handling intramural sports in the same efficient manner as before. Orchids, then, to these men and their outstanding work.

Now's the Time For "Snapping"

Like pants without cuffs, studios may soon be without films. Photographers will be allowed to purchase only 70 per cent of the material they bought and used last year. With "Sallies" and "Sues" on the home front and "Johnnie Doughboys" on the "far" fronts, there has been an enormous increase in picture making.

In fact, most photographers are faced with the problem of doing five times the business they did last year on 30 per cent less film.

The Horned Frog photographer has enough film in stock to take care of student's pictures now. The problem is to get students down to be snapped before "snapping" becomes a thing of the past.

No one can make students have their picture made. All that can be done is to tell them the time and place. The time is now, the deadline is Friday, the place is Organ's, and all that's needed is action.

Like pants without cuffs, the Horned Frog will be without class pictures unless they are made this coming week!

Thousands of Men Are Learning To Fly at Nation's Colleges

WASHINGTON—(ACP)—Tens of thousands of men are learning to fly at some 600 of the nation's colleges this year, preparing to serve in army and navy aviation.

However, not all the pilot trainees are regular students—college facilities have been opened to all who can meet requirements of the Civil Aeronautics Administration. Any man who can pass the mental and physical examinations is eligible, although all trainees must enlist in the reserve of the Army or Navy Air Force.

Most navy reservists are slated to be combat pilots and must meet the standard requirements of naval aviation cadet selection boards. They may be college students taking training under the V-1 or V-5 plans.

All army reservists in the C. A. A. program take their training on a full-time basis and must be men, who are ineligible as combat pilots because of their age or minor physical defects. Age limits are 18 through 36. If he's under 27, an applicant must have been rejected for combat pilot training.

In the C. A. A. Army program, five types of pilots are being trained: Glider.

Liaison—spotter for field artillery and other similar jobs.

Instructor—transport co-pilot either for the Army Air Transport Com-

mand, or on one of the airlines working with it.

Service pilot—towing targets or gliders, short hauls of men and materials.

C. A. A. trainees progress through elementary, secondary, cross-country, link-instrument and flight officer or instructor courses. Each course lasts eight weeks. Trainees may be called by the army or navy for further training or active duty at any stage of the courses.

After call by the services they may qualify for a commission.

Both army and navy aviation technical branches are after instructors in airplane mechanics, radio operating, engineering and general shop work.

To get a "student instructor" job, which pays \$1620 a year, you must have completed one year of college—although a C. A. A. ground instructor's certificate or satisfactory practical experience may be substituted for the college training.

For a "junior instructor" job, which pays \$2000 annually, a bit more experience—or college work—is required.

No written test. There's a catch, though, for many undergraduates—you must be 20 years old.

Application must be made through

the Civil Service Commission. Get blanks at your post office or by writing the commission in Washington—801 E. Street, N. W.

If you've taken some engineering courses and have some practical electrical, mechanical or shipbuilding experience, you may qualify for a job in the Navy Department as a ship inspector. They're badly needed. Pay ranges from \$2000 to \$2600. Apply to Civil Service Commission.

The Nazis termed it an "outstanding event for youth as well as for the party" when the 1924 age group of Hitler Youth was taken under the wing of the National Socialists a few days ago.

Lucky kids!

Also the Nazi high command has decided that all school children shall have the privilege this year of hearing three military lectures and making one visit to some military base—"outside school hours."

An elective course, no doubt!

Bulgarian teachers have been informed they can't resign, and those who have been AWOL because they objected to Nazi schooling for Bulgarian youth "will be immediately subjected to civil mobilization."

Job security at last!

Council Comment

NINA ELLIOTT and JACK BODARD were sworn in as freshman and graduate representatives, respectively, at the Student Council meeting Monday. This completes the Council membership with the exception of JACK WILSON, who was elected freshman class president yesterday.

A letter of resignation from DANCE MANAGER MELVIN DACUS was read and accepted. To fill this vacancy, FRANK BENTON and CARL MEHAFFEY were elected joint dance managers. A motion passed that they be paid 10 per cent of the net profits at the dances in addition to the set remuneration.

The FROG FORENSIC FRATERNITY was once again granted the cloakroom concession at the campus dances.

A judiciary committee appointed by FACULTY ADVISOR C. R. SHERER received the Council's approval. Members of it are SHIRLEY HALL, HOUSTON FOSTER and GERRY BROWDER.

PRESIDENT DUNNY SIMS appointed the following persons to serve on a constitutional revision committee: JAMES MOUDY, MARY CHARLOTTE FARIS, MARCIA MILLS, RUTH HARDY, DAVID MCKEE and SIMS.

A report of the election Oct. 8 was read, as were reports from the social and Homecoming committees.

HORNED FROG EDITOR VIRGINIA TOMME asked the Council for permission to give the PRESENTATION BALL Dec. 12. This was granted.

Discussion was held toward the possibility of obtaining a "SERVICE FLAG" for T. C. U. VIRGINIA CHURCHILL, MISS FARIS and MISS MILLS are in charge of this effort.

In connection with transportation difficulties related to the war, the Council adopted a resolution asking students to refrain from attending out-of-town athletic events and urging clubs to arrange their meetings in the afternoon for the benefit of town students.

Lieut. and Mrs. Haldeen Braddy were visitors on the campus last week-end.

BOWIE PAT O'BRIEN Glenn Ford "Flight Lieutenant" Starts Sunday "Maisie Gets Her Man" Ann Sothorn - Red Skelton

Announcing THE REOPENING T. C. U. BEAUTY SHOP Across From Brite UNDER NEW MANAGEMENT All Students Invited Phone 4-0081

Lieut. Pridemore Lost in Florida

Lieut. Walter Pridemore, editor of the Skiff in 1936-37, and four companions were lost while making a routine training-flight from MacDill Field, Florida, Oct. 3. Their bomber was due back at the field at midnight but failed to return.

An officer aboard the medium bomber radioed a message back to the field that all men were leaving the ship with a six-day food supply and heavy knives for cutting their way through the thick Florida underbrush. Since that time no word has been received from them. The reason for bailing out was omitted.

Lieut. Pridemore graduated from T. C. U. in 1937. While in school he was a member of the Student Council and served on the Horned Frog staff.

After graduation he worked on the Houston Press, the Brownsville Herald, the San Antonio News and worked at Radio Station WOAI in San Antonio.

Mrs. Allene Pridemore, 1124 May Street, received the first word of her son's disappearance on Oct. 4. Lieut. Pridemore had been stationed at MacDill Field since Aug. 8 when he got his silver wings from the advanced flying school at Lake Charles, La.

Pres. Sadler to Install Ex-Student as Minister

President M. E. Sadler will give the installation address at the installation of the Rev. William Vivrett, A. B. '33, as minister of the St. Charles Avenue Christian Church, Oct. 24 in New Orleans.

Miss Betty Eastland spent the week-end at her home in Amarillo.

MAJESTIC STARTS TODAY! VERONICA LAKE ROBT PRESTON ALAN LADD "THIS GUN FOR HIRE"

HOLLYWOOD NOW! CHINA'S ANGELS! AMERICA'S DEVILS! JOHN WAYNE JOHN CARROLL ANNA LEE FLYING TIGERS

On The Go

Frogs, your favorite music man is back in town. JAN GARBER brings his band to the WORTH stage this week. On the screen is "ARE HUSBANDS NECESSARY?" with RAY MILLAND and BETTY FIELDS.

Other entertainment over the week-end can be found at the HOLLYWOOD, where JOHN WAYNE, JOHN CARROLL and ANNA LEE star in "Flying Tigers." Friday and Saturday "WINGS FOR THE EAGLE" with ANN SHERIDAN and DENNIS MORGAN, will be shown at the PARKWAY, but Sunday and Monday that remarkable technicolor picture, "FANTASIA" will be shown.

Also, don't forget that every Friday night is Frog night at the DEN OF HOTEL TEXAS where EWEN HALL, that singing maestro, is putting on the show. Let's go down tonight and have a big celebration!

All student helpers in the registrar's office except one (Miss Winifred Nabours) plan to attend the T. C. U.-Aggie game tomorrow. They are Misses Dorothy Sinex, Martha Campbell, Wanda Robbins, Billie Jean Boney, Betty Jean Smith, Margaret Ann Coffey and Elizabeth Epperson.

Misses Kathryn and Elene Day spent the week-end at their home in Justin.

News 'n Views from Other Schools by Beverly Wade

"Howdy pard" will be the lingo on the University of Oklahoma campus during Frontier Week, which begins Nov. 9 and continues through the homecoming game with Missouri University, Nov. 14. All students will wear cowboy clothes, and plans include a barbecue, a dance, a western art exhibit, and exhibit of old cattle brands, book reviews of western books and an old-time western movie.

For every 50 pounds of scrap metal contributed to the scrap drive at the University of North Carolina, the individual contributor is awarded a movie pass. Approximately 5,000 pounds of salvage material have already been collected, and coeds are even parting with their most prized possessions, their cosmetic cases, to make the amount even greater.

For the best essay on what the individual A. & M. student thinks is meant by "The Spirit of Argieland," the producers of the motion picture, "We've Never Been Liked," will award as first prize a \$50 War Bond and an introduction to Anne Gwynne, feminine star of the film. Second prize will be a \$25 War Bond.

As a part of the nation-wide key collection campaign, students, faculty members and employees at Purdue University have contributed all old keys to the collection. Postboard cans were distributed over the campus to serve as containers for the collection. Old keys contain nearly 80 per cent nickel silver, one of the metals of which there is a serious shortage.

Cocky over getting half of the games right last week, for a .500 average, and still superstitious enough to keep on selecting the games as long as the Frogs win, here is this corner's guess-work for the week-end.

S. M. U. to take Temple in Dallas tonight. Travel seems to wear a team down, and the Mustangs should be mad enough to win.

Texas over Arkansas. The Porkers seem to care more about fighting with a sports writer than on the gridiron.

Yards gained rushing: T. C. U. 648, Ops. 113.

Yards gained passing: T. C. U. 353, Ops. 370.

First Downs: T. C. U. 48, Ops. 23.

Only eight first downs have been made rushing against the Purple.

Individual statistics on the Frogs backs show that Dean Bagley leads the punters, with a 42-yard per kick average in eight tries.

Bruce Alford has gained the most yards on passes—receiving six for 106 yards. Van Hall has caught the same number of passes but for only 71 yards.

Averages on ball carriers running more than 10 times are:

Name	Tries	Yds.	Ave.
Montgomery	18	101	5.61
Bond	13	65	5.00
Hall	17	77	4.53
Nix	43	192	4.43
Bagley	18	74	4.11
Conway	16	56	3.50
Ezell	12	38	3.17

Bob McCollum has carried the ball three times in two games for 33 yards, or 11 yards per try. Who says "Snake Hips" isn't a shifty ball carrier?

The freshman team has two new members this week. One is Lawrence Carson, a 210-pound tackle who played high school ball for Dallas Tech. This big boy is a hustler and looked mighty potent on defense this week against the varsity.

Billy Houtchens says Carson is a fine player. Billy played high football against him in Dallas.

The other new player is J. E. Goodsome, from Electra. He played offensive fullback and defensive tackle in high school. Both boys are welcome additions to Coach Leonard Pugh's crippled team.

One of the grandest sports on the Frog campus is none other than Prof. Clifton Oliver. Just another "one of the fellows," he never misses watching the intramural contests each Wednesday. Oliver is not just a teacher, but an advisor and friend to all. Here's wishing there were many more like him on the campus. A sports column may not be the place for writing about a professor, but it seems fitting in the case of Mr. Oliver.

AGGIE STARTERS who will play a major part in the game at College Station tomorrow are these six boys. All are seniors with the exception of Leo Daniel, a junior. Daniel was voted the outstanding sophomore of the Southwest last year, and the Cadet offense is built around his running and passing. Willie Zapalae is the blocker of the backfield and a good punter. Jake Webster has been injured but has recovered for the Frog game. He is a great line plunger and tips the scale at 192 pounds. Webster had a record of 29 conversions in 32 attempts last year but has not had the chance to attempt a goal this year, as yet. Two starting ends are Bill Henderson and Elvis Simmons. Both are tall and fine pass receivers. Henderson is 6 feet 4 inches and Simmons is 6 feet 3 inches. Both are recovered from early season injuries. Center is Bill Sibley, all-Southwest Conference pivot man last year. Sibley sparks the team with his shouting and arm waving—a great defensive player and fine pass defense man.

Aggies Loom as Hump No. 4 for Unbeaten Frogs

Passing Cadet Team Threatens T. C. U. Defense Weakness

By Elmo Webb

Hump No. 4 looms in front of the Horned Frogs tomorrow. That hump is the Texas Aggies, the team which stopped the Frogs last year in the T. C. U. Stadium, to end a three game winning streak. At College Station, the Purple hopes to get over the hill and not stop at three, as in '41.

With Coach Dutch Meyer's boys having a glaring weakness in pass defense, the Cadets, with Leo Daniel pitching, will be tossing that "Norton-Special" football plenty tomorrow. The Frogs have been drilled on pass defense all week, but if they don't improve over last Saturday, Coach Meyer feels that the outcome may be black.

Chief receiver for the Aggies is Jitterbug Bill Henderson. Back Cullen Rogers is another favorite target. To mix up the passing attack, boys like Jake Webster, Willie Zapalae, Bobby Williams and others will be smashing at the strong Purple forward wall.

Starting tackles, so far the weakest spots on Coach Homer Norton's club, will probably be Ed Sturken, a former back, or Leonard Joeris, and Ben Stout. Wayne Cure and Felix Bueck will open at guards. Bill Sibley, all-Southwest player last year, will hold down the pivot post.

Frogs in Bad Physical Condition
The Frogs, in about their worst physical condition of the year, hope to stop the Aggie passes and silence the "12th man," to beat the twice-defeated Cadets. Don Ezell went down this week with his old knee injury.

Mike Harter and Bob McCollum are in fair shape and will see action, but both boys have missed valuable practice for nearly two weeks. Several others have minor injuries. Weakest positions are likely to be fullback, left half and right guard.

The starting Purple eleven will be the same as opened against Kansas U., with the possibility of McCollum at full instead of Ralph Porter. Trotter Adams will open at right end. Trotter has been kicking that pigskin a "mile" in practice this week. Capt. Bruce Alford will be at left end.

Clyde Flowers and Co-Capt. Derrell Palmer will start at tackles, with Joe Rogers and Clifton Patton at guards.

Blackstone to Start as Center
Billy Blackstone, playing for the first time against an Aggie team, will open at center. "Jug" has been injured the week ahead of the A. & M. contest for two straight years but is ready to "kill or get killed" tomorrow.

Emery Nix will open at tailback and John Bond and Van Hall at halves. Dean Bagley and Beecher Montgomery also will be in at tailback to help keep those Cadets from breaking into the clear for a score.

To help strengthen the weak spots, Billy Houtchens has been moved to right guard, and Sam Weatherford has been shifted to left half.

Game time tomorrow at College Station will be 2:30 p. m.

Mrs. J. Bert Armstrong returned to her home in San Angelo Wednesday after a three-day visit with her daughter, Frances.

Frogs Will Try To Trample Down Four-Year Jinx

It has been four years since T. C. U. came out on the long end of a football score with Texas A. & M.

The last Frog victory was scored by Coach Dutch Meyer's national champions of 1938, when David O'Brien and Co. wiped the slate clean with 11 straight victories.

Since 1938 the Aggies have flown the championship flag, with a clear title in 1939 and 1941 and a co-title with S. M. U. in 1940.

The Frogs lost to the Farmers last year, but made an even greater contribution to the A. & M. title by eliminating the Texas Longhorns from the race.

Tomorrow the two schools stage their 1942 meeting in College Station. The game will mark the opening of the conference race for the Aggies; the Frogs have already pegged one victory (over Arkansas in Fort Worth Oct. 3).

Before entering the Southwest Conference, the Frogs had won from the Aggies only once in 19 games. In fact, most of the time in those days the Frogs could not even score.

Since T. C. U. was admitted to the conference the two schools have met 18 times. Ten of these contests produced T. C. U. victories, five games went to the Aggies and three resulted in ties.

In the full series, starting in 1897, A. & M. has won 22, T. C. U. 11 and four games have been ties. The all-time score is: A. & M. 581, T. C. U. 245.

The Record by years:

Year	TCU	A&M	Year	TCU	A&M
1897	0	6	1924	0	2
1898	0	16	1925	3	0
1902	0	23	1926	13	13
1903	0	14	1927	0	0
1904	6	14	1928	6	0
1905	0	11	1929	13	7
1906	0	29	1930	3	0
1907	0	20	1931	6	0
1908	11	24	1932	17	0
1909	0	42	1933	13	7
1910	0	22	1934	13	0
1911	5	32	1935	19	14
1912	10	13	1936	7	13
1913	0	0	1937	7	7
1914	6	25	1938	34	6
1915	0	33	1939	6	20
1916	0	49	1940	7	21
1917	10	13	1941	0	14
1918	0	48			
1919	0	48			

Harold Thomas Accepts Boston Mission Church

Harold Thomas, former student, minister of the North Side Church of Christ, will leave the last of this month to take charge of a missionary church assignment in Boston.

H. B. Balch, former student in T.C.U., is now in New Mexico working in a civil service job.

Evans Only Fly in Ointment—Froggies Play "Real" Football Against Inferior Kansas Team

Kansas has come and gone—gone to the tune of 41 to 6 at the hands of the improving Frogs.

Not gone, however, is the sight of Ray Evans throwing strike after strike to his listless teammates. Ray is a fine short passer and a good defensive man. Otto Schnellbacher, who scored the lone Jayhawker touchdown, was the ablest receiver. Tackle Warren Hodges was the only boy who seemed to put out in the line. Outside of that it was T. C. U. all the way.

Beecher Montgomery was the Frog crowd-pleaser, as he sparked the Purple, scoring 13 points personally. In fact, all the Horned Frogs, regulars and reserves, looked good in a game which saw every one of Coach Dutch Meyer's boys

MONTGOMERY

Cason Winner Of Golf Match

Spud Cason, member of the Frog golf team, won the annual Press-Worth Hills golf championship Sunday, equaling the course record of 67 on the morning 18, and sticking close to par the rest of the way, to beat Larry Jewell, 8 and 7.

Jewell shot a 74 on the first 18. Both golfers came in with 375 on the third nine, and Cason closed out the match on the next two holes, paring both holes against bogies by Jewell.

Cason's 67 was fashioned with a 34 and a 33. He had a bogey on No. 3 and birdies on 5 and 7 for the one under first nine. He birdied 14 and 16 on the second nine for his 33 and the three-under-record tying round. Cason was one under for the 29 holes.

E. Nix to B. Alford Top Combination Of T. C. U. Passing

Nix to Alford is the best pass combination that T. C. U. has produced this season. Emery Nix has thrown five passes to the Frog captain, two of them being completed for a total of 52 yards, one of the completions good for a touchdown.

Bagley to Alford has also been a top combination, the Little Man having heaved seven Alford's way, three of which were completed for a total of 50 yards.

Neither of the Frogs' chief pitchers are matching past T. C. U. passing records, however.

Last year the Frogs made three out of four of their touchdowns from outside the 15-yard stripe. This year they're powering the ball over, having scored only two out of nine touchdowns from outside the 15.

Last year, on the average, the Christians moved a little better than 25 yards on each touchdown. This year, crossing the double strip nine times in three games, they have moved a little less than 15 yards on the average.

Coeds Abandon Frogland To "Jam" in Aggieland

By EDLEEN ARMSTRONG and MARY ALLENE INGRAM

All eyes are turning South—to the A. & M. game tomorrow. Socials this week-end on the Hill are giving precedence to the Aggie corps dance, following the game in College Station. Most coeds are packing their most glamorous evening frocks, along with snappy new sports togs. Because of versatile and surprising Texas weather, it is difficult to decide whether to take a fur coat, trench coat or fall suit.

It will be interesting to note how many Frogs are wearing the Maroon and White on their "mums" on this occasion, instead of Purple and White. This won't denote disloyalty to their Alma Mater, but rather loyalty to the Aggie boyfriend.

The attractions of Aggieland have always been enticing to coeds, but even more so this year since the military program has made everyone increasingly "uniform" conscious. Every girl is aspiring to date an upperclassman, not only because of his importance on the Aggie campus, but because of the commission he will receive upon graduation.

Although there is no special train or student body trip this year, a large number of girls, as well as boys, will be on hand as well-wishers for the Frogs. Since so many students are making the trip, the train apparently will have the same traditional atmosphere of "specials" in the past.

Crowding three in a seat, forgetting studies and thinking only of being gay and having a "super" time will be the main diversions to make the time pass quickly on the train. Besides seeing a colorful game, with uniforms en masse, it is worthwhile to see the spacious campus of A. & M., with its acres and acres of dormitories and class buildings.

When the train pulls out from College Station following the dance tomorrow night, the Frog fans will be reminiscing their wonderful week-end, and trying to catch a few minutes sleep.

"So here's to the dear old Texas Aggies... We're going to beat you all!" The Frogs will finish this song tomorrow when the gun is sounded and the final score is known.

Cherryhomes to Marry Miss Hughes Nov. 1

Announcement has been made of the approaching marriage of Rawlins Cherryhomes, A. B. '42, to Miss Ella Mae Hughes of Wimsboro.

Date of the wedding has been set for Nov. 1. It will take place at Wimsboro.

Toad Tattler

by Billie Jean Boney

The Aggie game looms big before the eyes of every Frog as the day of reckoning draws nearer. Despite the tire shortage, and the purse-filler shortage, many loyal fans are planning to make the trek to Aggieland their trip of the year.

The coeds are flocking down on Friday so they can "get took" to the Artillery Ball by some of those handsome Aggies. Among these are GEORGIA BARNES, JUNE DAMERON, BETTY JEAN SMITH, WANDA ROBBINS—wowiee over the prospect of a date with her one-and-only—DOROTHY SINEX, MARTHA CAMPBELL, ELIZABETH EPPERSON—going to see one of her millions—and MARY CHARLOTTE FARIS.

HEAD YELL LEADER MARSHALL MASON is celebrating his draft deferment and plans to "keep the crowds roaring" at the game Saturday. By the way, MARSHALL was reclassified as 2A, and BETTY FLO has that old twinkle back in her eye.

Others making the trip by car are JEANNE MOORE, GEORGE MILLER, HELEN ZIEGLER, DOROTHY SHEETS and, not to be neglected, the ever faithful band. Ten cars of the fellows—oh yes, and gal cars—will pull out of Cowtown at 5 a. m. in the morning.

These undefeated FROGS will not be lacking in support from the stands if this snappy purple and white spirit holds out until train time.

Have you noticed FRESHMAN FRANCES ELLIOTT and her trailing Army boys lately? That little green cap doesn't slacken her pace any.

An old twosome revived is the junior president, PRESTON STEDMAN, and JEANIE CURRIE. They thought they could go it alone until Cupid gave them another shot in the heart. FLOPPY BLACKMON has been rather doleful lately. Could it be because GENEVIEVE is in the infirmary? The Foster girls thought he had lost something, the way he kept walking up and down the street by the dorm trying to look as if he had business to attend to in that vicinity.

RUTH HARDY was seen escorting

Two-in-One Prof Teaches, Learns in Dual Position

Student as well as professor is Ernest W. Gibson, assistant professor of business administration this year.

He is taking a C. P. A. course and wistfully says, "I hope I pass it." Prof. Gibson comes to T. C. U. from Harding College in Searcy, Ark., where he was head of the department of business and economics for six years.

He holds an A. B. degree from Transylvania University and an A. M. from the University of Kentucky. He has also done graduate work in Ohio State University, the University of Alabama and Northwestern University.

"I like T. C. U. fine!" Prof. Gibson says. "Everyone is so very friendly, and, so far, I've found both the faculty and the students eager to be helpful."

Frogettes to Hear Records Tonight

A recording concert of selections from "Fantasia" will be presented by the Frogettes at 7:30 o'clock tonight in Foster Hall.

Music will include "Le Sacre du Printemps," by Stravinsky; "Pastoral Symphony," by Beethoven; "Sorcerer's Apprentice," by Dukas; "Dance of the Hours," by Gioconda; "The Nutcracker Suite," by Tchaikovsky; "Ave Maria," by Schubert; and "A Night on the Bare Mountain," by Moussorgsky.

"Everyone is invited," says Miss Lorraine Shirley.

'Angelo Transfer To Root for T. C. U Now, Aggies Later

Five feet six, eyes of blue, good dancer and a better tennis player a good picture of Miss Wilma Faye McGlothlin, sophomore transfer from San Angelo Junior College.

She was a yell leader in high school in Angelo, her home town, and was head yell leader in junior college last year. Wilma Faye was also elected "Queen of the Junior-Senior Prom" her last year in high school.

She loves sports of all kinds, but prefers tennis, since she was captain of the tennis team for a year. "The Bomber," as she is called by a large majority of the male population of T. C. U., is original in the fact that she doesn't care for the Aggies, that is, not all of them at once. She really hopes the Frogies come out on top tomorrow although she would get great satisfaction if A. & M. were to beat Texas Thanksgiving. Who wouldn't?

Next time you're in the drugstore, look for a good-looking blond with a "pack of wolves" around her. That will be Wilma Faye.

Bryson Club Honors New Members

Twenty-four new members of the Bryson Club were honored by Miss Lorraine Shirley with an al fresco supper at her home Sunday evening.

The new members introduced were: Misses Genevieve Able, Joyce Bush, Dorothy Bryant, Margaret Hopkins, Billie Marie Latham, Jean Montgomery, Jean Morrison, Doris Rogers, Virginia Thaxton, Kathryn Waldron and Ruth White.

Frank Benton, Floppy Blackmon, John Bond, Pete Click, Pitts Crudington, Bill Horn, Alex Goines, Bob McHenry, Doyle Monohan, Derrell Palmer, Arthur Renaud, Dick Truitt and Sam Weatherford.

Dames Club to Hold Informal Luncheon

Members of the Dames Club will get together for an informal luncheon at 1 p. m. today in the Cafeteria. No business will be discussed, but Mrs. Vida Webb Foust, one of the chairmen for the social, will announce the plan for meetings.

On the second Friday of each month, members will meet at 1 p. m. in the Cafeteria to discuss business while they dine. This plan is devised to save extra trips to the meetings.

"All married women in T. C. U. and all wives of students are welcome," says Mrs. Foust.

Mavericks to Elect Officers Tonight

Plans for the coming year will be made and officers elected at the first meeting of the Mavericks at 7:30 p. m. today. This meeting was originally scheduled for Monday, but due to the illness of the hostess' father it was postponed.

Miss Pauline Haber, 2825 Merida Street, says she welcomes any eligible girls to this meeting in her home.

Membership is open to girls who are not Fort Worth residents and do not live in the dormitory.

Student A. C. S. Appoints Two Committees

Two committees were named at a meeting of the student affiliate of the American Chemical Society last Friday.

A program committee composed of John Aldred, Eugene Slawson and Miss Lucille Stark was appointed. Those on the membership committee are Miss Frances Armstrong, Robert Shaw and Bart Woodriddle.

The constitution of the society was revised, and plans were made for future meetings.

1942-43 Frogettes Elect Nancy Dunkle Head

Miss Nancy Dunkle was elected president of the Frogettes at a called meeting in the Mexican Lounge of Foster Hall Sunday evening.

Other officers are: Miss Fay Garner, vice-president, and Miss Dannie Danenberg, secretary-treasurer.

Miss Georgia Barnes, president of Leti, conducted the meeting. Arrangements were made to order Frogette pins.

Ampersand Honors Transfer Girls

A tea honoring 44 transfer girls was held by Ampersand Monday at the home of the sponsor, Mrs. Gayle Scott, 2916 Princeton Street.

Miss Betty Sue Petty will spend the week-end in Boyd with her parents.

1 Out of 10,000 Chinese Attends College, Says Loh

Speaking in behalf of the World Student Service Fund, Homer Chih-Chen Loh, traveling secretary of the organization, addressed a luncheon and cabinet meeting of the S. C. A. Thursday a week ago.

Mr. Loh, whose home is in Shanghai, China, urged the group to encourage T. C. U. students to contribute to the fund to aid European and Chinese students.

"Our goal this year is \$300,000," Mr. Loh stated. "If every student would give one dollar this year, we could reach that goal. A dollar is very little—less than 10 cents a month or two cents a week."

The speaker explained that only the American dollar can help students in China, because of its high exchange value, about forty to one.

"In the present condition, only one out of 10,000 Chinese gets to go to college," Mr. Loh said. He added that China does not want to send her students to war but wants them to continue their education so that they may help build a new China in the future.

Mr. Loh came to the United States in 1939 to study at the University of Pennsylvania. He received his Master's degree in sociology there last year. At present he is working on his Ph. D. degree. In his thesis he will explain similarities and dissimilarities in the American and Chinese cultures.

Traveling for the World Student Service Fund has helped Mr. Loh to a better understanding of American culture, he admits. In his present tour, which began Sept. 23, he will visit colleges all over the country. One month will be spent at colleges in Texas and Oklahoma alone. The tour will end in April of next year.

While at T. C. U., Mr. Loh also spoke to Mrs. Charles R. Sherer's social science class.

The T. C. U. branch of the World Student Service Fund is directed by the S. C. A. Miss Ruth Hardy, president, is in charge.

OCD Guest to Speak At Luncheon

A representative from the Office of Civilian Defense will speak at the Faculty Women's Club luncheon Tuesday in Foster Hall.

Mrs. Artemisia Bryson will introduce the new members, who are the honorees. They are Miss Ina Bramblett, Mrs. J. E. Montgomery, Mrs. L. W. Ramsey, Mrs. N. J. Whitehurst, Mrs. T. Smith McCorkle and Mrs. Joseph Morgan.

Mrs. Newton Gaines is the chairman for arrangements. The other hostesses will be Mrs. Hazel Tucker, Mrs. Edwin Elliott, Mrs. Henry G. Bowden, Miss Eula Lee Carter and Miss Mabel Major.

Ruth Ridings Honors Guest With Lunch

A luncheon, honoring Miss Peggy Ballard of Kansas University, was given by Miss Ruth Ridings last Friday in the Den of the Hotel Texas.

Other guests were Misses Ruth Morrison, Jane Connor, George Ann McGinnis, Mabel and Marnel Wright and Ruth Ann King.

Kirkpatrick to Speak At I. R. C. Meeting

Buster Kirkpatrick will present the first of a series of lectures to the International Relations Club at 7 p. m. Wednesday.

"The Long Armistice" is Kirkpatrick's subject. The members will meet in Room 103 of the Administration Building.

Misses Sue and Lou Tucker, students last year, are now employed at Monnie's.

Miss Polly Ruth Gean is reported ill with pneumonia at her home, 3401 Meadowbrook Drive.

Miss Delores Ison, ex '41, is now attending the University of Houston.

French Club Picnic Is Postponed

Les Grenouilles wiener roast, originally planned for this afternoon, has been postponed.

Miss Delores Ison, ex '41, is now attending the University of Houston.

Officers will be elected at a meeting of the Dana Press Club at 6:30 p. m. Tuesday in the journalism laboratory.

After the meeting, members and their guests will have a picnic in Forest Park. Miss Virginia Tomme, LeRoy Schell and Miss Lois Jeanne Cayce are in charge of arrangements.

Press Club to Elect Officers, Picnic

Home Ec Club to Elect Secretary Tuesday

The election of a secretary-treasurer scheduled for last week's meeting of the Home Ec Club will be held at the business meeting at 12 noon Tuesday instead.

The meeting will be in the Home Economics Laboratory. All new members are invited to attend, says Miss Ruth Tucker, president.

Truth Stranger Than Fiction, True in Army

"So near and yet so far" or "truth is stranger than fiction" might be used as a title to the story that reaches the campus from Kearns, Utah.

Privates Harry Rex Davis and Eugene Reed, old friends, wrote to Fort Worth on the same day from the same army camp, each seeking news of the other's whereabouts.

It happens that they are both at the same technical training school for the Army Air Corps.

Other T. C. U. exes stationed there are Privates Dick Maxwell and Cornelius Jackson.

It's a small world after all.

60 Attend Chorus Dinner, Dance

Approximately 60 members of the Mixed Chorus attended a buffet supper and dance at Steve's last Friday night.

Chaperones were Mr. and Mrs. Charles A. Stephens, Mrs. J. A. Dacus and William J. Marsh, director.

The committee in charge of arrangements included Miss Margie Mae Luxa, president of the Women's Chorus; Miss Georgia Lee Norris, secretary of the Women's Chorus; Jimmy Moudy, president of the Men's Glee Club; and Jimmy Pipes.

Miss Faris Head Of Poetry Club

Miss Mary Charlotte Faris has been made president of the Poetry Club. Melvyn Cobb was elected vice-president when the club met last week.

"We will elect a secretary-treasurer when we meet Wednesday at the Write College Club Room," says Miss Faris.

Former Skiff Editor Wins \$50 on Kyser Program

Bill Haworth, A. B. '40, now a private at Fort Bliss, El Paso, won first prize of a \$50 war bond on the Kay Kyser "School of Musical Knowledge" program Wednesday night.

Haworth, a major in journalism, was editor of The Skiff in 1939-40. Before going into service, he was on the editorial staff of The El Paso Times.

Dallas Christian Churches To Hear Pres. Sadler

"Education" will be the subject of President M. E. Sadler's speech at the district convention of Christian churches at the East Dallas Christian Church Wednesday.

The next day he will speak at the district convention of the christian churches in Fort Worth.

Pres. Sadler to Speak In Tyler Church Sunday

"Responsibility of Education Today" will be the subject of a talk to be given by President M. E. Sadler when he speaks at the First Christian Church in Tyler Sunday.

Mrs. Mac Best, the former Miss Fenton Clark, and her young son visited the campus last week-end. She was accompanied by her mother and two sisters.

Miss Elizabeth Epperson attended the graduation exercises and officers' dance at Brooks Field last week.

Miss Dannie Danenberg will spend the week-end in San Antonio, visiting Mrs. C. L. Ballard.

Dance Oct. 24 Set By Campus Club

A formal dance will be given by the Campus Club from 9 to 12 p. m. Saturday, Oct. 24, in the Basketball Gymnasium.

Those who will attend are the members of the club and their guests from various branches of the service.

"Day of Ofelia" will be reviewed by the Rev. Perry E. Gresham at 10 a. m. Tuesday in the assembly room of the University Christian Church. It will be presented to the Book of the Month Club and sponsored by the Woman's Council of the church.

"All who wish to attend the book review will be welcome to come," says Miss Elizabeth Biser, assistant to the Rev. Mr. Gresham.

"The Master's Insight" will be the sermon topic of the Rev. Mr. Gresham at 10:50 o'clock Sunday morning, and the Evensong talk at 7:15 p. m. will be "The Great Temptation."

Mason Urges Students To Yell Loud Tomorrow

A short pep rally will be held once a week throughout the football season, although the time has not as yet been decided upon, reports Marshall Mason, head yell leader.

"I was more than pleased to see the good crowd that turned out for the pep rally last night," beams Marshall, "and I'm glad that the Frogies realize we're going to be up against some stiff competition when it comes to yelling down at Aggieland, but if we try, we can show those Farmers that they aren't the only ones who have that ole' school spirit! See you at A. & M.!"

Prof. Ridings, 9 Students At Journalism Congress

Prof. and Mrs. J. Willard Ridings and nine students are in College Station today attending the annual Southwestern Journalism Congress.

Prof. Ridings is secretary-treasurer of the association.

Students attending are Misses Edleen Armstrong, Billie Jean Boney, Lois Jeanne Cayce, Virginia Churchill, Ruth Ann King, Martha Mellown, Ruth Ridings, Dorothy Jane Sheets and Virginia Tomme.
