

STAGE SET FOR JUBILEE CELEBRATION

MEMORIAL TO BE DEDICATED

CLASS HONORS WORLD WAR VETERANS

Texas Christian University World War Veterans will be the first of the brotherhood to be honored with a great memorial.

WORLD WAR VETERANS MEMORIAL ARCH.

The arch will stand twenty-one feet high and will span the broad walk leading up to the Main Building.

Funds for the erection of the arch are still needed, according to Edwin A. Elliott, who stated that although gifts had been liberal that hundreds of ex-students who should have a part in the memorial have not contributed to date.

The memorial is very fitting—for Texas Christian University sent many a soldier and sailor into the world conflict where the college-trained boy went to the defense of the ideals he had learned in the classroom and saved the day for civilization.

The senior class started as a Junior group more than a year ago to plan for the arch having worked to this time in getting the operation under way on such a scale as to insure the building of the memorial.

Other members of the class are Ruth Allgood, Martin Batton, Dean Beard, James Bender, T. H. Cantrell, Dora Louise Cockrell, Thomas E. Dudley, Robert England, Joseph Fasken, Robert Ferguson, Rena Ferguson, Oran Freeman, W. J. Hammond, Dwight Holmes, Leona Hood, B. Z. Hughes, V. A. Kent, Mrs. H. O. OLD TIME SWAT KINGS CHALLENGE VARSITY MEN

HOB-NOBS WILL BE FEATURE

Hob-Nobs Pow-Wows and Conversational Marathons will be held by the old gangs around in the quiet corners of the campus Tuesday afternoon. Dame Scandal has been warned to keep the meetings in good order—but since the announcement of the group leaders has been made it is evident that there will be no Quaker meetings in any nook.

Look up the names of the leaders for your term of service and write to them and tell them to save a place on the program for you. Of course, everybody will talk at the same time, so get your vocal cords in tune for a high pitch—you tell 'em.

Mrs. Pauline Shirley Haile, 2205 Hurley Avenue, Fort Worth, has appointed the committees, the members of which will see to the rounding up of the gangs.

Miss Beth Coombs, ex-student secretary, whose office is at Texas Christian University, will be glad to furnish you a list of your bunch—so write her and get the information and round up the old pals for a big talk fest.

Group leaders for the Hob-Nobs for the respective years, will be as follows:

- Thorpe Springs-1873-1895. 1873-1880. Dr. Alfred Irby, Cisco, Texas. Judge D. F. Grass, Sycamore, Texas. Cora D' Spacio Hammitt, 1315 W. Broadway, Oklahoma City. Lou Carr Bass, McKinney, Texas. 1880-1895. Judge F. A. McKinsey, Weatherford, Texas. Mrs. L. A. Wythe, Weatherford, Texas. C. H. Miller, Hico, Texas. Joe Wilmoth, 1723 6th Avenue, Fort Worth, Texas. 1885-1890. Dr. L. A. Miller, Corsicana, Texas. F. G. Jones, 1371, C. I. A. Station, Denton, Texas. A. C. Easley, R3, Waco, Texas. 1890-1895. Trixie Green Linly 5105 Ruger, Dallas, Texas. Flora Pinkerton Morrison, Stamford, Texas. R. F. Hollmay, Cisco College Cisco. Van Zandt Jarvis, Fort Worth.

One of the most exciting features to be staged during the Jubilee week will be a baseball game, in Clark Field, between ex-baseball players of T. C. U. and the present team.

Ellis Hardy, one time coach of the Horned Frogs "old timers," will take charge of the "Exes." Men who will probably be in the lineup include Roy Morton, Cullen Graves, "Snake" Brassler, "Hop" Hopkins, and Rube Berry.

Roy Morton, who has for the past three years made a great success on the mounds of the West Texas League, will probably be Hardy's selection for pitcher. Three years ago when the greatest hurler of the National League, Pete Donohue, was a Frog pitcher, the ex-students of T. C. U. defeated him, and ever since the announcement of the game of June 5th, the Horned Frogs, under the coaching of Kid Nance, have decided to give the "Exes" a good walloping, thereby avenging the defeat given Pete Donohue in 1920.

Texas Christian University has had one of the greatest baseball histories of any other college in the South. Old timers can remember when the New York "Giants" fell in inglorious defeat to the Horned Frogs, when the T. C. U. club could have made the "Panthers" look like a bunch of school boys, and the one sided scores with the Waco league, in the coaching days of Ellis Hardy.

Conversation at Jarvis is at a low ebb on account of the large number of girls spending the week end on the W. A. A. camp.

Table with 2 columns: Day and Event. Monday: 3:30 Ball game with Daniel Baker, 7:30 Girls' Literary Societies, 8:30 Boys' Literary Societies. Tuesday: 3:30 Ball game with Daniel Baker, 7:30 Jubilee Chorus practice. Wednesday: 3:00 Track meet conducted by Seniors. Thursday: 8:00 Faculty Take-Off. Friday: 4:00 Sophomore Picnic at Pecan Grove Beach, 7:30 Jubilee practice.

IMITATION See the Faculty Take-Off Frigate in the University auditorium, starting at 8 o'clock. There will be lots of fun and many a laugh for all who come. Remember that the "Frog" is about to hop and the proceeds from the take-off will give push to the "hop" button.

STUDENT RALLY IS HIGH MARK OF JUBILEE CAMPAIGN

Students rallied to the call of the old school last Thursday morning, giving \$12,600 to T. C. U. after the call was made by President Waits, Sam McFarland and Boyd Keith. It was the greatest demonstration ever seen in Texas Christian University. Gifts of all sizes were made freely, many of them representing big sacrifices.

The call was made by Keith, after short addresses had been made by the President and McFarland. At once, responses began—\$300, \$250, \$200 \$175, and on down to \$5—with no pressure brought to bear but with the feeling of freedom engendered with the thought that each would go his limit.

Some of those gifts will mean a lot of hard work in the paying—some bespoke a willingness to deny many personal pleasures and even necessities to see that the school lacks nothing. Those who gave, including both students and faculty members, are: More to Kum

WRITERS' CLUB IS ORGANIZED

Ambitious writers will have opportunity to express themselves. Last Wednesday evening Miss Mable Majors was at home to the Junior and Senior majors of Texas Christian University. The object of this meeting was the organization of an English Club for all upper classmen who are majoring in the English Department.

Committees were appointed and will make their reports at the next meeting of the club, which will be Wednesday, May 23, in Jarvis Hall parlors. The organization will be perfected at that time.

At last the ideal of the English Faculty for a literary club has started on its growth. Miss Rebecca Smith presented the plans to the group. She has many inspiring ideas which the club shall try to carry out. The English Faculty will always be honorary members of the club but the students are to take the active parts.

SENIORS WILL HAVE A PARTY

The Senior class will be entertained with a party at the home of Professor E. W. McDiarmid, class professor, Thursday night, May 17, at 8 o'clock. This is an annual affair, and the members of the class are looking forward to the occasion with much anticipation.

Athletes Will Go To Dallas

The Southern Athletic Association will hold an invitation track meet at Dallas, Saturday, the 19th. T. C. U. will enter several events and will probably be represented by the following: Morris Parker, Eli Smith, Jim Cantrell, Erwin Montgomery, Raymond Heatley, and Alton Cherry.

PARADE, BANQUET, CLASS DAY, COMMENCEMENT AND PAGEANT ARE ANNOUNCED

Thousands of students, ex-students and friends from the city and State who have never been connected with the school, will march in a great parade through the streets of downtown Fort Worth Monday evening, June 4, opening the celebration of the Golden Jubilee of Texas Christian University.

SAM J. McFARLAND

All-Church Press

A banquet of a thousand plates will be held Monday night at the Texas Hotel, starting at 7:30, in the Crystal Ball Room, which is one of the largest banquet halls in Texas. The principal address will be made by Harry D. Rogers of San Antonio. Sam J. McFarland, President E. M. Waits and Dean Colby D. Hall have charge of the program.

Commencement will start properly Sunday morning when Rev. L. N. D. Wells of the East Dallas Christian Church will preach the baccalaureate sermon to the Senior Class. The service will be held in First Christian Church, and will open with a program of music by the University students, directed by H. D. Guelick. There will be a service at the same hour in the Chamber of Commerce auditorium adjoining the church to take care of the overflow crowd.

SPENCER AND NELSON WIN

Norman Spencer and Al Nelson won for T. C. U. Tuesday night at Enid, Oklahoma, in a debate with Phillips University on the question: "Resolved that the United States should enter the League of Nations as at present constituted." T. C. U. defended the negative, and won the decision two to one. Hal Moran and John Mullen represented Phillips.

This result virtually ties T. C. U. and Phillips for debating honors in the Texas-Oklahoma section, T. C. U. having defeated the Oklahoma teams the last two years, and Phillips team winning over T. C. U. the two years previous to these. Phillips defeated the much touted Southern California team in 1921.

Norman Spencer is a Senior, an Add-Ran, and a captain in the United States Army, and has been associate editor of the Skiff this year in addition to carrying the principalship of the Brooklyn Heights School of Fort Worth. Al Nelson is a Sophomore, a Shirley, and preacher at Valley Mills and Vickery. This is his second year of debating work, having been on one of the Triangular teams both last year and this.

Hal Moran is a Junior in Phillips and practiced law in Oklahoma ten years before entering that school. John Mullen is a Senior in his university and won the Preaching prize there last year. All four of these men are matriculated Bible College students.

The judges were: Judge Boynton of Kingfisher, Supt. Russell of Dover, and the superintendent of schools at Pond Creek.

LORRAINE SHERLEY IS BACK FROM MISSOURI

Miss Lorraine Sherley, editor of Horned Frog, returned Sunday from Jefferson City, Mo., where she proofread and checked up on the Annual. She was very much encouraged after seeing the book in print.

Curiosity to see the Horned Frog is being expressed by the student body, as it is expected to be quite an unusual volume.

Frank Bowser left for Richardson Saturday morning for a few days with home folks.

Jubilee Day—Tuesday—starts at 10 a. m. when R. H. Miller of Kansas City, one of the nation's most brilliant pulpiteres, will deliver the address to the Senior Class. The program will be in the University Chapel. A barbecue—such as Texas people know how to plan—will be held on the campus at noon, at which time visitors from the city will meet the thousands of ex-students and others in attendance on the Christian Church Convention.

After the feed, then the dedication of the memorial arch to the World War Veterans. Ex-students will gather immediately after that for a general session, with Ran Rogers, president of the association, presiding. Talks will be made by many of the old time students and teachers. Some of these are: Randolph Clark, one of the founders of the school; P. H. Dawson, of Fort Worth, the first singing master; R. H. Foster, Breckenridge; Homer D. Wade, Fort Worth; Judge F. O. McKinsey, Weatherford; Col. A. C. Akeley, Waco; Lee Clark of Wichita Falls; Judge W. H. Penix, Mineral Wells; Douglas Shirley, Canyon City; W. O. Dallas, Abilene.

Hob-Nobs, have been arranged for the afternoon, so that all the old bunches can get together for the talk fest that must be a part of every reunion. Mrs. Pauline Shirley Haile has made the plans for the three hour, details of which are included in another story in this issue of the Skiff.

Baseball—the old boys versus the new—will be an attraction for the afternoon, and it has been suggested that the hob-nobbing groups get out near Clark Field for their talk, so that they will be on hand for the preliminaries to the baseball game.

The history of the school will be beautifully set forth in the pageant on the campus at 6 o'clock. The pageant was written by members of the English Faculty, and the music was arranged by the College of Music Faculty. Several hundred students will take part, under the direction of Mrs. H. D. Guelick.

Keith Camp is able to attend classes again after a slight illness.

Dr. E. I. Holcomb of Thurber, an old student of T. C. U., spent Thursday morning on the campus visiting his brother, Emerson.

THE SKIFF

A NEWSPAPER

Published every Tuesday evening by the Students of Texas Christian University. Devoted to the art of broadcasting the common message while it is still news. Pledged to the support of high ideals. Committed to a true reflection of the progress of the University in such a way that the people inside and outside of its walls may know that T. C. U. is a center of real and broadening nature.

KOMMENT KOLUMN

Well, folks, here we are, nearly to the end of things, and it looks like a pretty good year for T. C. U. Our unaccounted honor of being in the Southwestern Conference has sat rather heavily on our shoulders, we being closest contenders for the stellar position in that league. At that, we haven't done as poorly as the percent column seems to indicate. We gave the Mustangs some fierce battles, and they never knew, till the referee hollered "Out!" for the last time in the ninth inning, whether they had a baseball game won or not.

Little Hezzie Carson stepped out in the first S. M. U. game, and showed some real stuff. It made the Kommenter wonder where Hezzie has been hiding himself all season.

In the second game, Clarence Woods, battling hard in the first innings to keep up strong front, with a rather-too-loose defense behind him, weakened from the exertion toward the last. With another year to grow, and with this year's college experience behind him, little Woods should be able to step with the best of them next year.

It seems a pity that all our long hits have to come when the bases are empty.

Well, perhaps it shall not always be thus.

Boy, Howdy—it's nice to have something to look forward to. We are looking forward expectantly to baseball season next year. Scotty will be in shape to pitch again; Woods will be heavier and better; Hezzie Carson will be one year wiser; Big George will be eligible; Trick Ward will be on the job again, as will Tank, Dick Fender, Honer Adams, Froggy, Kit, Blair, and the other notables of this year's nine; some of this year's ineligible will be ready to go, among them Jew Levy, Herman Clark, and Washmon; all of these factors added up, by plain, every-day arithmetic, equals a world-beating nine for old T. C. U. in the baseball season of 1924. Isn't that the way it looks to you?

It never rains but it pours, you know. Scotty and Blair get hurt hardly a week apart. Talk about tough luck, folks, that ain't nothing else but.

At that, it looks as if we would be forced to take the T. I. A. A. championship. All that we lack is defeating Daniel Baker two games here Monday and Tuesday. If this bunch can't give any better account of the home-town than their neighbor college did last week, we ought to have another weighed-down scoreboard.

By the time this Skiff is in your hands, the result has been determined, and you are wearing a happy smile as the result, eh? Ain't it right?

ADD-RANS AND CLARKS COMING

The Add-Ran and Clark Literary Societies are preparing to welcome the old members back to T. C. U. The Add-Ran, Clark Hall will be extended to provide a rest room and reception room for visitors which they can make their headquarters during commencement.

On Monday afternoon, from 2:30 to 4:30 there will be a reception welcoming the visitors. After the reception cars will be ready to take all the old Add-Rans and Clarks down to the parade in the city.

The societies will have a special float in the parade, and they want all the old "brothers" and "sisters" to renew their interest in the Add-Ran, Clark activities.

Care will be taken that all the visitors be made at home through out the week.

So hurry back old Add-Ran, Clarks, the new bunch is waiting for you!

LOOK UP YOUR CLASS GIFTS

"Foot Prints on the Sands of Time." Each Senior Class since the year 1907 has left a token of remembrance. Which class were you a member of?

TRIBUTE PAID BY MEMORIALS

"Lest We Forget." There have been seven memorials erected on the Texas Christian University campus in memory of departed ones.

The Rebecca Sherley Memorial was given by Andrew Sherley and Fred Sherley, of Anna, Texas, as tribute to their mother. This gift was a sum of money for the equipment of a library room, and was presented in 1911.

Mr. and Mrs. B. Wade of Elgin presented the school with a Prohibitory Library in honor of their son, Braxton B. Wade, who was a student leader for four years in T. C. U. This gift was given in 1916.

The Mollie Elliott Strange Library was donated by her family in her memory.

The Band Stand was a memorial to Mr. W. T. Hammer who was an English professor in T. C. U. from 1897 to 1914. He was in charge of the boys' dormitory, and was the organizer of the Glee Clubs and Quartets. Dean Colby D. Hall was a member of these clubs. Friends around the University with the aid of the school donated the erection of the Band Stand in 1915.

Two other beautiful gifts have taken the significance of memorials, as both men to whom they were dedicated have since died. These are the Water Fountain in the Main Building erected to honor C. I. Alexander, and the bench and flower urn on the campus which has been dedicated to Walter E. Bryson.

Ada Albright spent the week end with Lillie Mae Miller.

Wilma Shivers was in Dallas for the week end.

Lois Blair went to the city for the week end.

Good Evidence.

Lee: Have you ever seen Mary Garden in "Thais?"
Lou: Surely she doesn't wear them in public, does she.

Which Is Dead, the Danguage or the Student?

The other day Miss Clayton was reviewing her 4B Virgil class in Mythology and they had been discussing Pluto. She ask what words were have in the English language derived from Pluto and Bess Lee said, "Oh! I know one—Pluto water." Then Marjorie spoke up and said, "Plutarch."

REMEMBER THE FALLEN MEN

Why the Memorial Arch to the World's War Veterans who were students of Texas Christian University? Such a question has been asked several times this year of the members of the Senior Class who are leading the campaign to build a great memorial.

Dr. Clinton Lockhart, when he inquired of Edwin A. Elliot how the campaign fared, was told of this question. He went straight to his office and prepared a most convincing answer, which is as follows:

Because we all in our hearts honor those brave and self-sacrificing young men (Milus Little, Aubrey Cooper and Herndon Harwick all of whom were killed in action). It is no small matter to risk and to lose young, useful, aspiring life in the midst of German shot and shells. Had not these youths done this, many of us who remained safe at home must have fought and fallen in battle. We should show our gratitude by a fitting memorial, certainly not show ingratitude by denying it.

Because there is no prospect that the Christian church in Texas will ever erect a worthy monument to its boys who were in the world-famous service. The move has now begun, and it is time to complete it.

Because the T. C. U. campus is the very place where such a memorial should stand, not only because it would adorn the college grounds, but because many of the men went from the university into the camp, and the three who fell were well known students of T. C. U.

Because the Senior Class who have planned the monument and have now raised half of the money to build it, cannot furnish the means to complete it. The time to raise money even by entertainments, however kindly the patronage has been given, is now almost past, and more than a thousand dollars are yet to be raised. This ought to be secured at once, that the work on the monument may soon begin. The highest reason demands that it should not be begun till all the money is in hand to finish.

Because noble young men and women of the Senior Class are making heroic and persistent efforts to get the money and have themselves given unsparingly. Now their stay in college is soon to cease, and they will be scattered over the earth. This is to be their one lasting mark on the college grounds. Such worthy purpose and manly endeavor should not be passed heedlessly by any real friend of collegiate enterprise.

R. P.: "Jack, why does a teacher remind one of a policeman?"
J. M.: "I don't know, why?"
R. P.: "Because they both say 'move on' every time they see you."

Major Parker (to cadet): "Wipe that smile off your face."
Cadet: "Give me a handkerchief."

Miss Phillips: "What does current mean?"

Edward: "It means a nut."
Someone in class: "I guess your a current."

"Waiter, bring me the nine things I like."

"What are they, sir?"

"Hash."

—Virginia Reed.

Sandstorm Sam was on his first trip back. He went into a restaurant and the waiter brought him a napkin.

"Here you" shouted the enraged Oklahoman, banging the table with some large, black artillery, "Take this blamed thing away quick! I guess I know when to use a handkerchief without any hints throwed out."
—Whirlwind.

Will Welcome You Best Phillips

Norman Spencer and Al B. Nelson beat Phillips University debaters in the Oklahoma auditorium last Tuesday night, breaking Phillips' winning streak that had had a run of three years, and is one of the best of the state. Nelson is newer at the game, but makes a great fight.

The Texas Christian University boys had the negative side of: "Resolved, That the United States Should Enter the League of Nations as at Present Constituted."

An Unimportant Detail.

Jenkins was substituting for a day or two during the temporary absence of the regular society editor. He is a detail man and quick to notice omissions. So when Miss Daisy Blank came in with a long story about the wedding of her dearest chum, Jenkins grunted at the adjectives about the bride's costume, frowned over the elaborate decorations and lengthy description of the music and the singing, and then said to Miss Daisy:

"Who was the unhappy man?"

"You mean the groom?"

"Yes. There has to be a groom at a thing of this sort, doesn't there?"

"To be sure," and Miss Daisy blushed a bit. "It was Mr. William Smith—didn't I have him in?"

"Not that I can see."

"Well put him in somewhere, please. Of course he was present also."

So Jenkins wrote at the bottom of Miss Daisy's exquisite little sketch. "Bill Smith was also present."

Dumb-Bells.

Some of the blanks still think

That a milk man wrote

"Three o'clock in the morning."

That Angora wool comes

From an Angora cat,

That the bell in boys' trousers ought to ring.

That Rex Beach is a summer resort,

That the Prince of Wales is a fish.

That ammonia is a disease.

Noted Lecturer: You boys are now in the flower of manhood.

Voice of college stude.: Yes, all blooming idiots.

Tom: Haven't you been losing flesh lately

Jack: Yes—I'm learning to shave.

"How can you tell they are newly married?"

"She cried when he caught his finger in the door."—Ex.

Daughter: Papa, what is your birthday stone?

Weary Father: My dear, I'm not sure but I think its a grindstone.

Out West.

Highmunk (with dead auto): Got a monkey wrench.

Wild and Wooly: Got a sheep ranch. Who in the devil wants a monkey ranch.

What Is Your Inference.

Is teh writer of the following want advertisement in a Western paper a jilted sutor bent on revenge or merely a great lover of sport?

"To Exchange—\$85 diamond ring for a double-barreled shotgun."

Washington, it is said, once threw a dollar across the Potomac. It would be interesting to learn how far he could have made an Austrian kronen go.

MANLESS PARTY A SUCCESS.

A manless Party at the home of Mrs. Louise Cope last Thursday evening, honoring the Senior girls, was one of the good times never to be forgotten.

The life of the party were the visiting "cousins" from Rubeville. The homemade ice cream, fresh strawberries and cakes were served.

A stylishly dressed woman entered the restaurant. The waiter handed her a bill of fare written in French, and said: "Please mark off the dishes you wish to order."

Could a woman dressed in the height of fashion confess that she was unable to read French? Taking the pencil she made a few dashes, and the order read:

"Dinner, \$2." "December 20," "Vegetables." "Please pay at the desk." "No tips."

The waiter brought her a beef-steak and chip potatoes, but she did not dare raise a word of protest.

MEN'S SOCIETIES IN JOINT MEETING MONDAY

A joint meeting of the two men's societies, Shirleys and Add-Rans, was held Monday night, May 14, in the Shirley Hall.

A careful program had been planned, and a large crowd attended the meeting. The presence of a large number of town students was especially noticeable.

The program was as follows: Welcome—Hilliard Camp. Piano Solo—Richard Gaines. Miscellaneous—James Bender. Reading—James Slayter. Quartette—Selected. Closing Talk—Hubert Robinson.

Rachel Shields, on her way home from Crescent College, Eureka Springs, Ark., is spending the week end with her sister, Edith, at Jarvis Hall.

Plans Are Made**

"Glimpses of 1873 T. C. U., the old Thorp Springs school will be presented by the Shirley-Walton Literary Societies, during commencement week. Open House will be held throughout the entire Jubilee.

There will also be a Shirley-Walton Hand Book for the year 1922-23, for those who are interested in the activities of the societies.

The entire week will be filled with events to make the visitors feel at home and that they are welcome in the old hall. There will be a farewell program Monday evening, May 28, in which each Shirley and Walton of Ye Old Days will be there to enjoy the ties of true friendship and goodwill once more.

On the evening of June 4, the Add-Ran, Clark and Shirley-Walton Societies will meet in the Chapel for a final joint program.

Walton medal will also be presented during the commencement season to the most loyal Walton.

We wish to extend to you all a hearty welcome to the T. C. U. Jubilee and to Thorp Spring booth.

**T.C.U. CINDERMEN
PLACE SEVENTH**

With Captain Parker and Eli Smith both handicapped by injuries, T. C. U. totaled only enough points to place seventh in the Southwest Conference track meet held at Stillwater, Oklahoma, Saturday.

Captain Parker, unable to participate in the pole vault event, tied for first place in the high jump, while Eli Smith placed third in the broad jump.

Universities represented in the meet were Texas University, Texas A. & M., Oklahoma Aggies, Baylor University, Southern Methodist University, Rice, Texas Christian University, and Arkansas University.

Members of the T. C. U. team who took part in the meet were Captain Parker, Eli Smith, Jim Cantrill, Montgomery and Manager J. A. Stevenson.

**Invitations Sent
To Many Schools**

Approximately 1,000 formal invitations were sent to various schools and colleges the first of this week. The list of those receiving invitations included all church schools in the U. S.; all schools in the Southern Association of Colleges and Universities; all colleges and universities in the Texas Association; and all the superintendents of all the affiliated high schools in the state. In addition a number of invitations were sent to individuals of prominence in church and university work outside of the state.

Jean and Annie Mary Wells visited their parents Saturday and Sunday in Dallas.

**LAW SAVES
MAN'S LIFE**

In a very realistic manner, Captain J. S. Law, director of the Southwest Division of the American Red Cross, rescued his "drowning" partner from the dark depths of the University Y. M. C. A. swimming pool during their demonstration of the every day work of a life-guard Saturday morning to the students of T. C. U.

Captain Law began with a short talk in which he claimed to be about the "only person who could speak from a wet platform during these dry times." He then demonstrated the various strokes used in swimming, including the side, side-overhand, breast and Australian crawl.

Probably the most interesting and instructive part of the program was the demonstration of how to rescue a drowning person and then revive the victim by means of artificial respiration.

Captain Law is making a tour of seven states in promoting the instruction of swimming and life-saving methods in colleges and normals.

Members of the T. C. U. life-saving corps are: Walter Knox, George Horton, Rowland Broiles, Carl Anderson, Kenneth Bonham, and J. C. Roberts.

**University Women
Treat Doctor's Wives**

Doctors were the guests of honor at a tea given last week in the parlors of Jarvis Hall by the Women's University Club. The Senior girls assisted in the serving of the refreshments and furnished the entertainment. The ladies were shown over the campus and through the halls. Some of the Fort Worth ladies were seeing T. C. U. for the first time and expressed themselves as delighted with the institution.

**CLASS MEET
FUN FROLIC**

Wednesday afternoon at 2 o'clock on Clark Field, T. C. U., will be staged the "grand opening" of the "eventful fun-making track meet" which is confidently expected to afford much fun to spectators as well as contestants. The various classes and organizations of T. C. U. plan to be represented in as many of the different events as possible.

Machine-guns manned by determined and tried veterans will be posted on all sides of the field and riot squads are being mustered to quell all uprisings when the potato race, sack race, and three-legged race take place.

Pauline Reeder, Gertrude Davis, and Dorothy Largent spent the week end in the city.

Abbie Dalton is visiting for a few days in Denton.

PRESIDENT E. M. WAITS

**5000 CHURCH MEN TO MEET
FOR ANNUAL CONVENTION**

The thirty-seven annual session of the Texas Christian church convention has been designated the Jubilee convention, and will be held in Fort Worth in connection with the T. C. U. Golden Jubilee, beginning Friday, June 1, and continuing through June 5, with J. W. Kerns of Waco, presiding.

Chalmers McPherson of Brite College of the Bible, the only person who has attended all of the thirty-seven conventions, has his face set resolutely to the great Jubilee, and will be a prominent figure in the convention. The first session was held in Austin in 1887, with W. K. Homan as chairman. The late A. J. Bush was the first secretary employed by the board.

There will be messages and messengers from every part of the state, representing the different phases of the work fostered by the churches.

J. B. Holmes is completing his sixth year as superintendent of Missions, and has proved an efficient and consecrated servant.

Mrs. Colby D. Hall, president of the women's work, and Mrs. Berta McMaster, field secretary, led the women's work in Texas.

The Bible school and Christian Endeavor work is led most efficiently by S. W. Hutton. Mr. Hutton has been in Boston several months in special study in Bible School and Christian Endeavor, but will be here for the convention.

J. Boyd Keith will be over with his great family from the Juliet Fowler Home, and the children will give a demonstration on Saturday, Benevolence day.

Jarvis Institute will be represented at the Convention, showing some of the great character building done at Hawkins.

Every person who comes to the convention should register. Registration cards are sent out to the Ministers of the Christian churches.

and should be signed and returned. The registration fee is \$1.00.

Other officers of the Convention besides J. W. Kerns, of Waco, are: George F. Cuthrell, of Sherman, Vice President; Ray M. Camp, Fort Worth, Secretary-Treasurer; Edward Owens, Austin, Assistant Secretary.

Trustees of the Convention are: J. N. Wooten, Hereford; W. O. Dallas, Abilene; Mrs. Colby D. Hall, Fort Worth; J. Leslie Finnell, Paris; Joseph Keovil, Palestine; Mrs. Dave Smith, Dallas; J. W. Holsapple, Temple; H. E. Ford, Houston; Fred Burns, San Antonio; Sherwood Bishop, Brownsville; C. E. Moore, Brownwood; J. D. Jackson, Alpine.

The Convention program is as follows:

**JUBILEE SKIFF
TO BE CORKER**

A fifty-page edition of The Skiff will herald the Jubilee week at Texas Christian University. It will be issued June 2. The issue of May 15 will be the last regular number in order to give time for the preparation of the Jubilee Skiff which will have a circulation of 12,000. This is said by Jerome Moore to be the largest single college newspaper ever published in the South.

There is a special editorial staff of one hundred members at work now. One section has already been given to the printers. This paper will cover every phase of the university life, ex-students' mission work, church convention, and news stories.

Fannye Fallen went to Polytechnic for Saturday and Sunday.

Lena Shirley left Friday for her home in Anna.

White Footwear
For the Many Festivities of
Commencement

THE NEW WHITE SHOES have departed more than ever from beaten paths—taking on variations amazingly smart and novel—yet they retain, as they always do, that air of infinitely good taste that has always associated them with June Graduates.

—Cut-out effects predominate. The Sandal, seeking its inspiration from ancient times, was never more favored, arched on slim high heels or gracefully set on low heels.

—Novelty expresses itself too—in touches of color added to many of the new white models.

—And so, choosing white shoes here is fascinating in the extreme!

—and we may add, very inexpensive since OUR prices are but—
\$6.50, \$7.50, \$8.50 and \$10
