Fort Worth, Texas,  
October 8, 1935.

Mr. Oscar Lawler,  
Standard Oil Building,  
Los Angeles, Calif.

Please pardon my seeming negligence for not communicating with you sooner. Frankly I have devoted practically all my time since you were in Fort Worth on the memorial program. I am acting as chairman in Texas and expect to get things lined up in good shape. We have a fine organization in New York which was the result of about ten days steady work on the part of Owen D. Young, Will Hays, Jesse Jones, Eddie Rickenbacker, Trubee Davison and others. This is a big undertaking. Still I feel it is going through successfully. We have arranged through the aviation industry to finance the committee's operations thereby making it possible for all of the contributions to go direct for the memorials. Best regards.

Amon G. Carter.
