Dear Amon:-

I acknowledge your letter of November 25th. I did not do a very good job of stock buying at 619, because it was down as low as 590 two weeks later; but it is back up again.

There will be some "ebb and flow" in this stock like in all others, but I hope not as much as some you talk about.

I will show the "Chief" your editorial. I know he will appreciate it.

I am glad that Fort Worth is going on better than ever, despite what Ma Ferguson has to say about its most distinguished citizen and his "rough-neck" friends who came to attend his soiree. And now that I have heard all about you at the football game, I am prouder of my old playmate than ever.

Give my best to Mrs. Carter and the babies.

Ever sincerely,

Kerlan
